It was another busy year for the Montebello High School choral organizations, which consisted of four choirs; The A Cappella Choir, the Golden Keys Vocal Ensemble, the Hi-Tones Girls Ensemble, and the Oiler Chorus.

The Choirs held three major concerts, the Christmas Concert, the Pops Concert, and the Spring Concert. Of the three, the Pops Concert proved to be the most successful, drawing in sellout crowds for the third year in a row.

Performing for local city groups and to large audiences at various concerts, the Golden Keys Vocal Ensemble maintained a busy schedule. The Hi Tones Girls Ensemble embarked on a musical tour of Northern California. The A Cappella Choir ventured on a new and different learning experience when it was split into two different periods, boys in one, girls in another. This restructuring was an attempt to increase valuable rehearsal time. The Oiler Chorus worked feverishly to continue their fine reputation for excellence.

With the guidance and tireless effort of Choir Director Ms. Nancy Eastman, the MHS choral organizations maintained their high standards of musical superiority.

BELLO

MOB takes a run for the roses

The Mighty Oiler Band (MOB) was proud to have the honor of participating in the 1984 Tournament of Roses Parade for the first time in 21 years. Besides giving the city of Montebello something to be proud of, it gave the band members a sense of great accomplishment.

The requirements for being in the marching band were a knowledge and understanding of music, a good attitude, the ability to follow directions, having intermediate band before high school, and maintaining a "C" average in their other subjects. In addition to these rigid requirements, dedication and self-discipline were very important. Hours of practice were spent over the summer and during school. Each person had to know their music and perform to the best of their ability. The band helped students to increase their knowledge of music and to develop a respect for their fellow students. Getting along with one another was essential for them to function successfully as a whole unit.

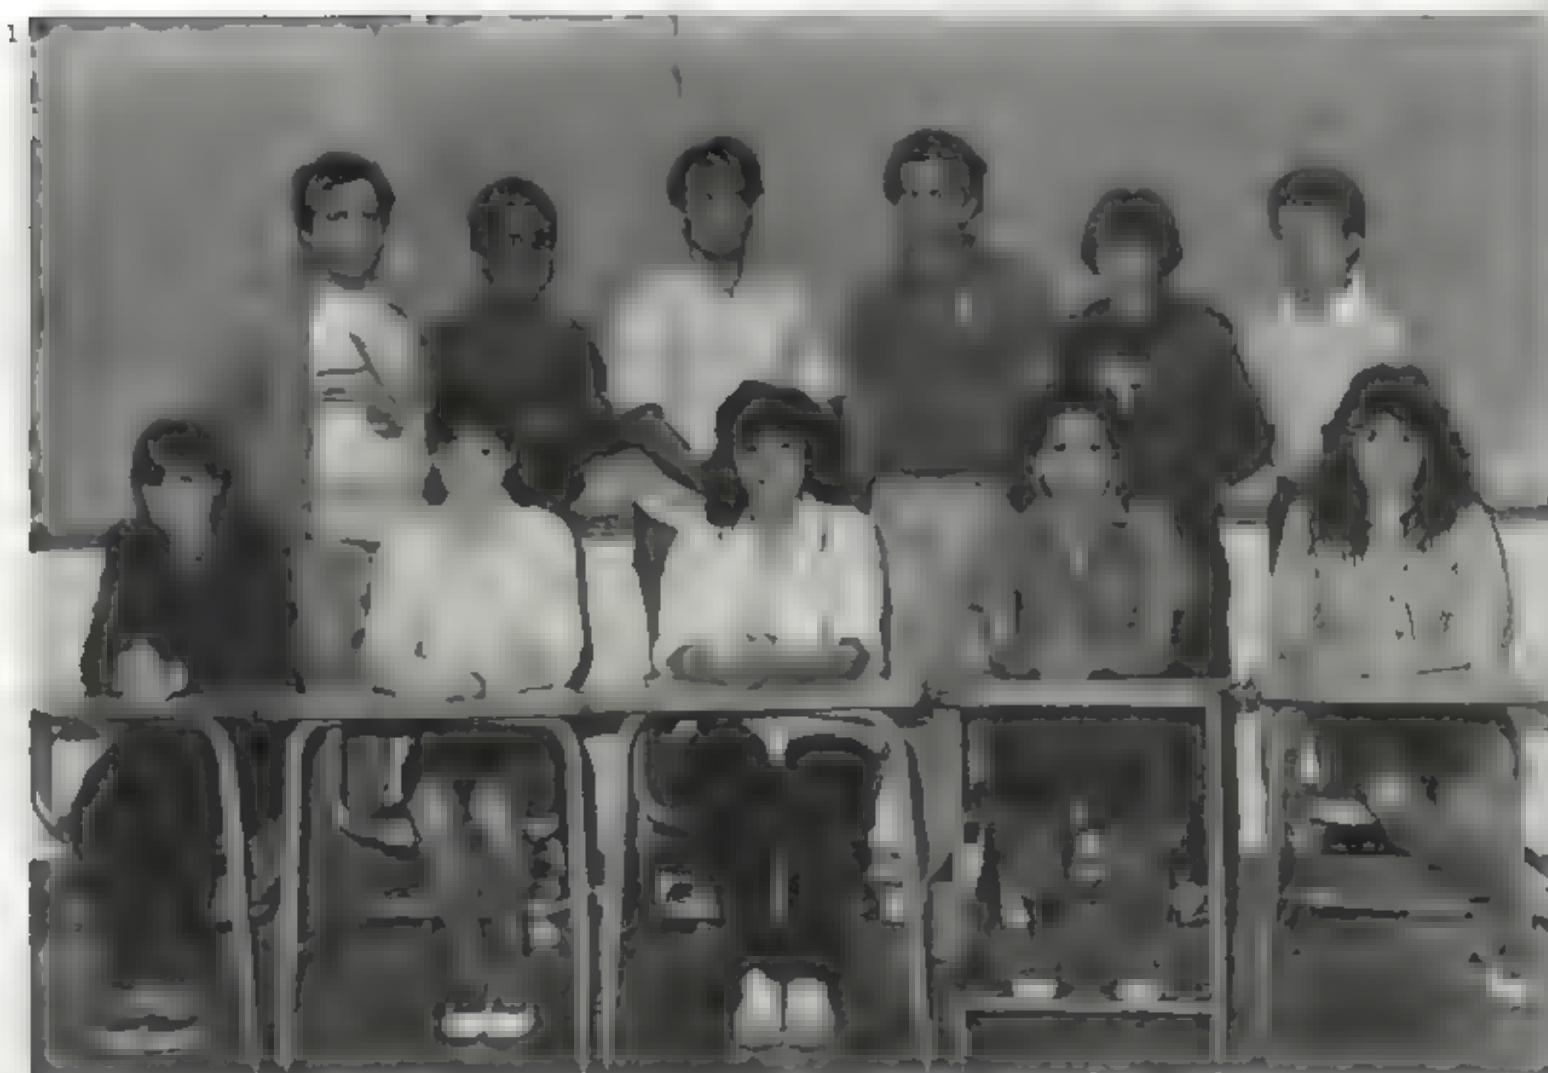

The Band Director Mr. Lawrence Covellone has been leading the band for the last ten years. He understands the demands made on each member because he participated in the band when he attended Montebello.

The MOB increased to 110 members. This included Auxiliary, which was comprised of the Rifles, Tall Flags, Bannerettes, Rigette Drill Team, and the Color Guard.

1. Color Guard Gary Castro, Mike Sanchez, David Osuna, Adrian Rodelo, Albert Hernandez.
2. Senior Drum Major Benjamin Echeverria, Junior Drum Major Steve Perez.
3. Band Director Mr. Lawrence Covellone.
4. Bannerettes Kathy Candelaria, Lori Aguilar, Vivian Zamora, Ivette Hernandez, Teresa Diaz, Juliana Ayala, Sophia Arabajian, Lisa Tarowsky, Mary Agraz, Darlene Russa, Adonia Echeverria, Teresa Jimenez, Gail Williams.
5. Band Director Mr. Covellone gives last minute instructions.
6. The MOB exhibits precision and pride at the Beilflower Parade.
7. The Percussion section keeps the beat.
8. Leslie Rodriguez warms up for an exciting day at the Tournament of Roses Parade in Pasadena.

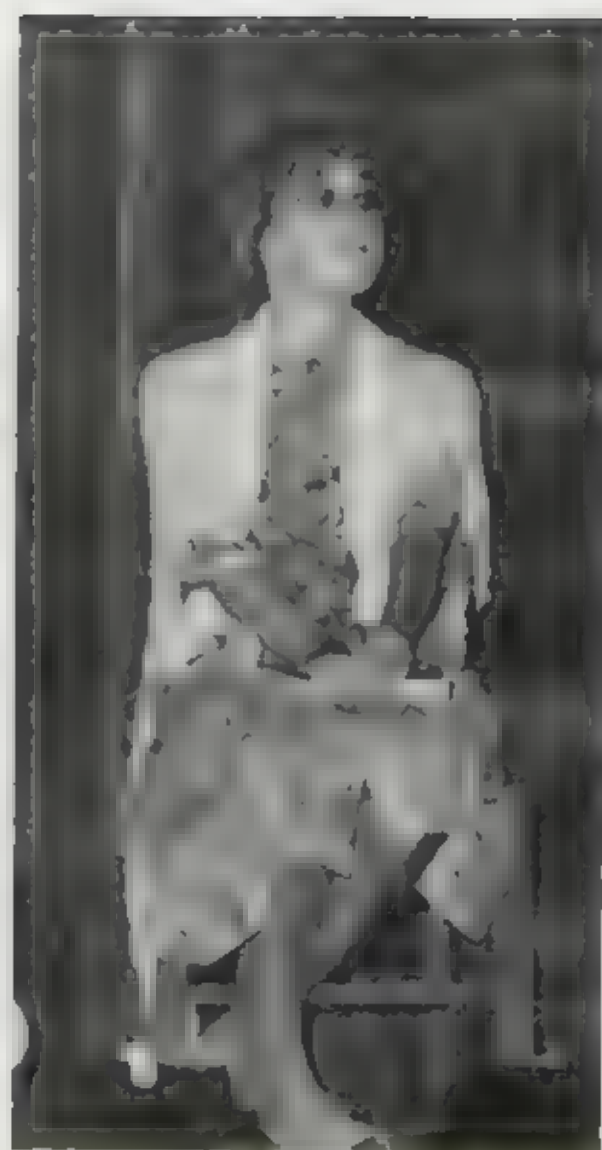

Actors achieve perfection

The MHS Drama Club under the instruction of Miss Susan Shaw, consisted of eleven students. The drama students met during 6th period each day to rehearse a play or to plan an upcoming event. Drama 1-2 was open to any student but to enroll in Drama 3-4 a student needed the approval of Miss Shaw. Drama students learned valuable skills such as putting on stage makeup, writing their own script, and directing their own play. Before Christmas vacation the Drama Club presented a play named a Little Consideration. The performers were: Sheila Baze as the grandmother, Lisa Ulloa and Terry Castillo as the Children.

1. Drama Club. Front Row Gladis Reed Gail Wolfus, Amber Villarreal, Laurie Martinez, Lisa Ulloa. Second Row Peter Garza, Raul Orozco, Fred Lara, Tony Zinman, Don Olguin, Thomas Ramos.
2. Lisa Ulloa and Terry Castillo display youthful energy as grand children in the play, "A Little Consideration."

Dancers . . .jazzy and talented

1 The annual Gymantics show held on December 9th was a smash hit. Girls from every grade were able to try out but only twenty students were selected to perform in the show.

Dance numbers, singers, and comics were the various acts that could be seen on that evening. One of the comedy dance numbers was called "The Blob" where five girls dressed up in sack like costumes. The "Exercise Class" routine consisted of an impression of Richard Simmons and how he coaches over-weight people. The girls dressed in gray sweatsuits with stuffed pillows to give the perfect effect.

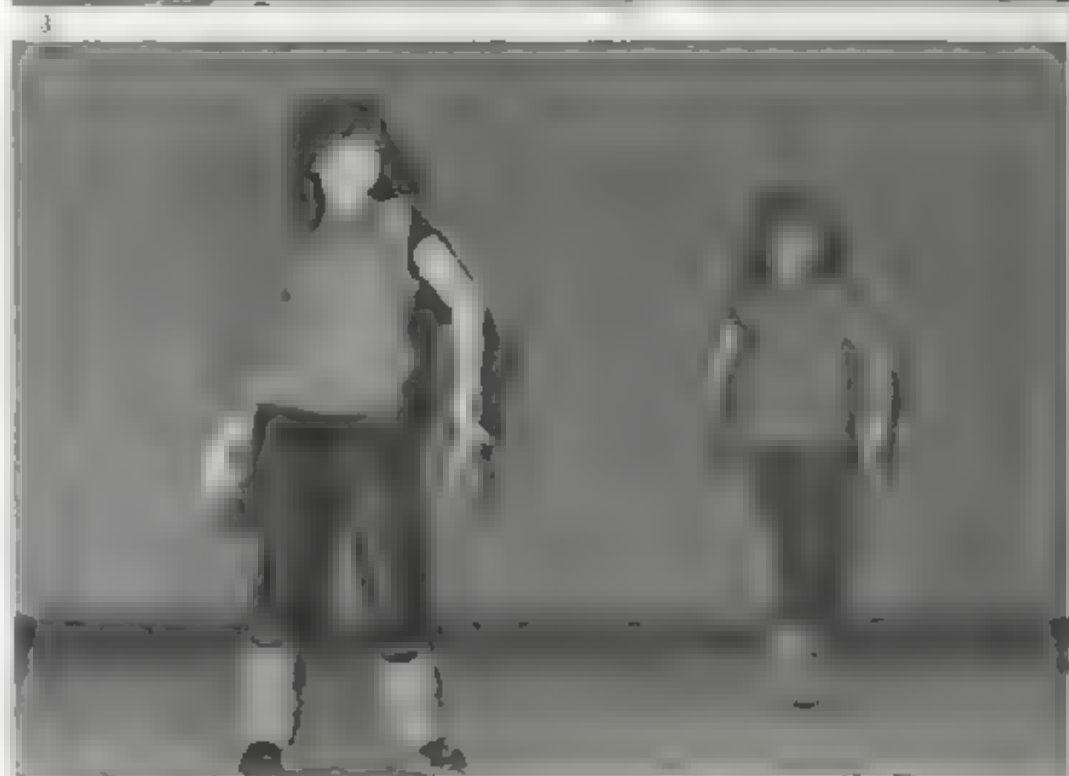

All Gymantic performers were given 20 tickets to sell for the program. Laurie Mondragon sold 27 tickets and won a record album of her choice. The solo dance number award went to Laurie Martinez who performed a belly dance. The large dance number award went to a performance of "Rock Around the Clock," and the small dance number award was presented for "So Close to the Fire." Senior Denise Carrejo was awarded the vocalist award.

For the girls, it was a night to remember. Perfection was their goal and they accomplished just that by practicing long hours. One alumnus who saw the show said, "It was the best show ever." In appreciation for all of her efforts, Mrs. Pat Woods was presented a bouquet of roses at the close of the evening.

This was a very busy year for our talented modern dance team. They performed at pep rallies, a convalescent home, and at the annual Gymantics show. To raise money they sponsored a car wash, bake sales, and sold ice-cream to help them buy their costumes.

Last summer they attended the USA Dance Camp where they learned sensational dance numbers to popular music such as "Freak-a-Zoid," "Rock Around the Clock," "Bad Boys," and "Pretty Young Thing." A few dancers such as Claudia Huizar and Carla Orozco received awards for outstanding performances. Camp was a joyful experience that gave all the girls a chance to meet dance members from other schools and share ideas.

Pep rallies were exciting and promoted tremendous participation. Numbers like "Tearing it Up" and "Delirious" entertained the spirited crowds. For the first time dance members performed at the football Homecoming pep rally to "Camp Dance." Mrs. Woods commented, "The 1983-84 Dance Team has been one of the most enthusiastic and skilled groups in the past few years. It has been my pleasure working with them."

1. The P.D. makes its debut at the Gymnastics show
2. Senior Denise Carrejo sings "Without You" which won her the Solo Vocalist award at the Gymnastics show
3. Performing to "Rock around the Clock" are Marinette Tedoco, Judy Gonzales, Gina Zaragoza and Chris O'Connell

5. Modern Dance Front Row: Laurie Martinez, Marinette Tedoco, Judy Gonzales. Second Row: Diane Nungaray, Carla Orozco, Gina Zaragoza, Brenda Brewer, Chris Ramos. Third Row: Natalie Ramirez, Adriana Guzman, Laurie Mondragon, Claudia Huizar, Anna Carreras
6. Rehearsing for upcoming performances, Modern Dance members radiate unending energy
7. Stylishly dressed in 50's clothing Brenda Brewer hops to "Rock Around the Clock" at the Gymnastics program
8. A true performer, Claudia Huizar manages a bright smile while executing a strenuous routine to "Freak a Zoid"
9. Practice makes perfect as Gina Zaragoza prepares her dance routine

Seniors

Senior Division	54
Senior Representatives	54
Senior Achievements	55-59
Senior Favorites	60-61
Senior Messages	62-65
Graduation	66-67

Although lacking experience the Senior Representatives, Chairman Derek Asakura, Barbie Briones, Anna Cavanias, and Malena Gonzales led 450 Seniors through an exciting Senior year.

Beginning in October with Football Homecoming, the Senior Representatives spent many hours at flower-making parties encouraging the whole Senior class to join in the making of the Senior float. "We are the Future" was the title and the float won third place.

The '83-84 school year brought numerous responsibilities to the four representatives. It was a difficult task for them to meet the high standards set for the Class of 1984. Countless hours were spent working on T-shirt sales, Winter Ball arrangements, and the main activity of the year, the Senior Assembly on "Senior Ditch Day". The representatives did their best to make 1984 more than just another year. They captured that winning spirit.

1. Senior Class Representatives: Barbie Briones, Anna Cavanias, Malena Gonzales, and Chairman Derek Asakura.
2. Good friends, Phillip Marquez, Lisa Ayala, James Renee, and Evelyn Hinojosa, enjoy a memorable evening.

ASB Govern

The 1983-84 school year has come to an end, a very successful end. I had the pleasure working with the ASB cabinet and other officers and members. I would like to thank them all for doing a great job throughout the year. This year was filled with success as we reached our goal of 3,000 cans of food to help the needy in our community during the holidays. To top it off we watched our Mighty Oiler Hand participate in the Rose Parade. I'm very proud of our school and of the great year we had in our athletic programs as well as everything else. I hope that success will continue for many years to come here at MHS. Thank you, good bye, and good luck to all.

Sam Robles
ASB President

The Associated Student Body of Montebello High School consisted of a President, Vice-President, Secretary, Cabinet, and elected officers from every grade. Advisor of the entire organization was Director of Student Activities, Mr. Jeffrey Schwartz.

ASB offices were held by the following elected people: President Sam Robles, Vice President Roberta Canales, and Secretary Denise Carrejo. As President, Robles' job was to preside over all General School Committee meetings and speak at assemblies. Another one of his duties was to keep track of all activities going on and assisting in whatever way possible. Canales' job as Vice-President was to run formal ASB meetings and take over any responsibilities of Robles' when he was not available. Taking minutes and typing them up was the main duty of Secretary Carrejo.

In order to distribute responsibilities, a cabinet of five members was chosen by Robles. Secretary of Activities Patti Házama took care of planning all assemblies. Secretary of Athletics Richard Urias had the hectic job of organizing and hosting pep rallies practically every week. Secretary of Clubs Joan Kawamoto handled the Inter-Club Council which had the monstrous job of setting up Homecoming. Co-signing checks, working at ticket booths for all events, and giving financial reports were the many responsibilities of Secretary of Finance Nancy Munoz. Secretary of Publicity Fielv Matias was an extremely busy cabinet member. Every time an event occurred, he created artistic posters and distributed information to the local press. By combining all of these individual efforts and talents, ASB accomplished the monumental task of running the student body of MHS.

ASB, GSC, ICC organize Oilers

The annual canned food drive sponsored by ASB in December proved once again the generosity of the Oilers. ASB then came up with a fun project called, "Theme Days." On a designated day spirited students would dress according to a theme such as a hat and tie day, punk day, or western day. Students would be notified in advance by the weekly bulletin or flyers. In January, ASB held the Winter Ball in the gym to cut down on the cost of the tickets. They took great care in the decorating of the gym to provide a heavenly evening for everyone. The major event of the year planned by the ASB in February was the basketball game of the MHS faculty vs. the Los Angeles Raiders. Bringing enjoyment to all, this friendly game proved to be a great success. A lot of thought and hard work was put into these projects by the ASB and were greatly appreciated.

Every morning ASB met first period to discuss, plan, and share ideas. On Fridays, a formal meeting took place where all voting was done. With cooperation and mutual respect, much was accomplished.

Bank of America rewards achievers

Fourteen outstanding Seniors were chosen by faculty members for the Bank of America Awards in specific academic fields. The head of each academic department received a list of names of the students who qualified scholastically for the awards. Faculty from each department chose one student for the award and one student as alternate. The approved list was sent to the college counselor, Mrs. Margaret Kuroiwa. Because a student could only be chosen for one subject, Mrs. Kuroiwa was forced to make a decision when a student won in two subject areas. The awards recognized scholastic achievement, leadership, and responsibility.

Outstanding students set for Sacramento

Two outstanding Juniors were chosen to travel to Sacramento in order to participate in a project in practical citizenship training. Mr. Robert Bee and Miss Anna Chavez chose Richard Gabaldon and Julie Yoshitake. The alternates were Pat Ramos and George Atilano. All candidates were interviewed by the Assistant Principals.

These students represented our school and were able to obtain first hand experience in the legislative process of our state government. This brief encounter with other students from different schools in California brought new insight to our MHS students and allowed them to learn about the vast responsibilities of the legislative process.

The students receive letters regularly from the society informing them of their status and of the various activities in which they can participate in.

Who's Who puts out a book each year and students have the opportunity of purchasing it and having their academic, athletic, and community achievements listed.

The City of Montebello has been host to various civic events. Traditionally Montebello has held a variety of contest including the Miss Montebello Pageant and the Montebello Junior Miss Pageant. For the third consecutive year Montebello High School had three students competing for for the Junior Miss title, with Regina Guevara winning the coveted honor. Miss Guevara received \$200 for placing first in the poise and appearance category and an additional \$2,000 for the Junior Miss Title. Judith Gonzales was the winner of The Youth Fitness Award and Varsity Basketball star Kira Anthrofer was the Third Place winner of The Scholastic Achievement Award. Miss Guevara then proceeded on to The California state finals which were held from January 12-22 in Santa Rosa, California.

The City of Montebello entered a float in The Rose Parade in Pasadena. It honored the migration of ducks and geese from their Canadian breeding grounds to the south. The float contained a multitude of beautiful flowers: thousands of white, red and brown mums, white cattieya orchids, white carnations, white, pink, yellow and gold roses, iris pampas, grass and wheat. It was considered one of Montebellos most creative contributions to the Rose Parade.

The Rose Parade was also the Highlight of our Mighty Oiler Band's season. The band was one of the eighteen superior bands chosen throughout the United States to perform in the Parade. Each year the committee in charge of high school bands, travels through the country to select the top scoring bands. The parade is not a competition but rather a display of the superior bands

The Montebello Unified School District made an important change in the high school graduation requirements. After the state legislature passed new laws, the district was required to increase certain course offerings. The English, Mathematics and Science departments increased required credits from 10 to 20 for graduation. The Senior class was also required to enroll in five courses each semester, unless an exemption was authorized. These new requirements are in effect for the graduating class of 1987

Each year the Montebello-Ashiya Sister City Association selects two student ambassadors to send to Japan. The 1984 ambassadors were talented Pauline Kawamoto and a collage student Kathleen Odou. The students arrived in Japan on July 8 with a busy schedule ahead of them. Both Pauline and Kathleen were separated and stayed at the homes of their host families. They visited new places, saw new sights, including the capitol city of Tokyo, which was the highlight of their trip. They observed different fashions and experienced Japanese style food such as octopus and raw fish. The trip was an exciting and knowledgeable experience for Kawamoto and Odou

The Las Rosas Debutantes club, which was formed in 1969, recognized girls with outstanding scholastic ability who have been active in their community. Among some of their many contributions to their community, the members raised money for new books for the Chet Holifield Library. They also raised money to purchase seeing eye dogs for the disabled people of Montebello.

Every year is eventful and this past year has been no exception. The wonderful and joyful as well as the disastrous and sorrowful made their presences felt each day. Recalled are the events of the past so that they will remain with us forever.

Sarajevo, Yugoslavia and Los Angeles were the sites of the 1984 winter and summer Olympics. Many events were postponed in Sarajevo due to the heavy snowfall but the United States still managed to bring home eight medals, four of which were gold. In the skiing category Debbie Armstrong, Bill Johnson, and Phil Mahre each earned a gold medal. Their respective events were giant slalom, downhill, and slalom. Although the medals were not numerous, the spirit of the Games never faded. British ice-dancing pair Jayne Torvill and Christopher Dean won the set of 6.0 scores in this relatively new Olympic sport.

In Great Britain, Margaret Thatcher was re-elected to the post of Prime Minister. The Tory majority gave Thatcher another five year term.

On the home front, Secretary of the Interior James G. Watt resigned after making one too many controversial remarks. President Ronald Reagan announced his intention for re-election. This presidential race was made unique with Democratic candidate Reverend Jesse Jackson. This civil rights leader became the first black American to run for office. Other Democratic candidates included Walter Mondale, ex astronaut John Glenn, California Senator Alan Cranston, Colorado Senator Gary Hart, former Florida governor Rubin Askew, South Carolina Senator Ernest Hollings, and former Senator George McGovern.

Sally K. Ride became the first woman to travel to space aboard the Space Shuttle Challenger. Along with four other astronauts this flight accomplished many firsts; the first round trip, the first five person crew, and the first repeat trip by a shuttle astronaut. The entire crew consisted of Commander Robert Crippen, Pilot Frederick Hauck, Dr. Norman Thagard, mission specialists John Fabian and Sally Ride. At the launch site 530,000 cheering spectators showed their support.

A new national holiday commemorating the birthday of Reverend Martin Luther King Jr. was put to the vote in the Senate. They voted 78 to 22 in favor of setting aside the third Monday of January beginning in 1986.

Celebrating its 100th birthday was the one mile long Brooklyn bridge in New York. Two million spectators attended the gala event to view \$200,000 in fireworks.

Australia II made history when it became the first America's Cup opponent to beat a United States 12-meter sailboat in 132 years.

All of the honored winners of the prestigious 1983 Nobel Prizes in the science category were United States citizens. For Physics the award was shared by Subrahmanyan Chandrasekhar, of the University of Chicago and William A. Fowler of Caltech. Henry Taube of Stanford won the Chemistry Prize. Author Gerard Debreu received the Nobel Prize in Economics. An unexpected and controversial winner of the Nobel Prize in English was novelist William Golding who wrote **Lord of the Flies**. Barbara McClintock received the Prize in Medicine for a 1951 discovery. Possibly the most sought after award, the Nobel Peace Prize, went to Lech Walesa, who is the leader of the Polish Solidarity movement. He is the second Communist-bloc citizen to be bestowed with this honor.

Syracuse University student Vanessa Williams became the first black to win the title of Miss America in the 56th pageant.

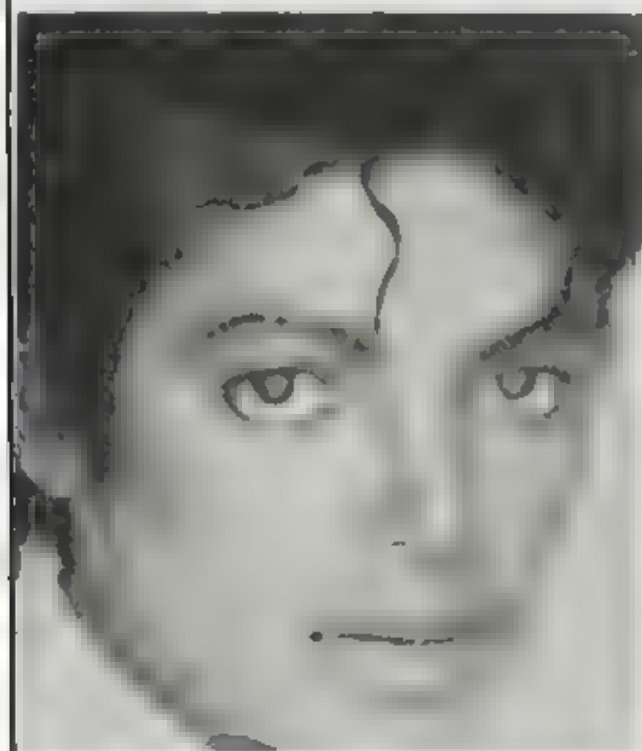

During Christmas, shoppers fought over the most current gift, a Cabbage Patch Kid by Coleco. Each of these dolls was advertised to be individual and no two dolls were identical. With such a limited supply, consumers went to extreme measures to get one of these status dolls. Another new hot product was a line of Care Bears. As soon as these loveable dolls were introduced they became so popular that shelves were empty as the company frantically tried to meet the demand.

As music videos and MTV rocked the world, Michael Jackson was the prominent new sensation. The mere mention of his name was enough to excite his millions of fans. At the Grammy awards he collected an unprecedented eight awards. Paul Simon previously held the record with seven grammys. The Police was another big winner of the evening. The group took four awards including New Song of the Year. The Culture Club with lead singer Boy George, who had a style all his own, caused quite a commotion with their singing talents. Their popularity won them the New Artist Award.

A sequel to STAR WARS and THE EMPIRE STRIKES BACK was RETURN OF THE JEDI produced by George Lucas. The success of the movie was based upon the answer to many questions such as Luke Skywalker and Princess Leia being brother and sister and Darth Vader being their father. SATURDAY NIGHT FEVER had its own sequel released this summer entitled STAYING ALIVE. Another smash was TERMS OF ENDEARMENT starring Debra Winger and Shirley MacClaine in a mother-daughter situation. The movie FLASHDANCE invoked new fashions and had a hit theme song "Flashdance ... What a Feeling" by Irene Cara which later went on to win a Grammy award.

ABC televised THE DAY AFTER, a dramatization of the after effects of a nuclear attack in the United States. An estimated 100 million Americans watched the program.

which made it the 12th most watched television program in American history. The realization of the actual effects of nuclear war remained in the minds of the viewers long after the show was over.

The El Nino phenomenon was blamed for nature's freakish and sometimes destructive actions. El Nino was the abnormally warm water off South America that caused atmospheric changes. The results from these changes were floods, droughts, earthquakes, and volcanic eruptions around the world.

Caracas, Venezuela hosted the Pan Am games which erupted into one of the worst drug scandals in amateur athletics. America's top weight lifting prospect Jeff Mitchels along with fourteen other competitors were expelled from the games when it was discovered that they were taking steroids and other drugs banned by the International Olympic Committee.

During the early morning hours on October 30 an earthquake measuring 7.1 on the Richter scale hit eastern Turkey. The quake destroyed 147 villages and killed 1,336 people.

The tragedy of the Korean Airlines Flight #007 was an incident that was not soon to be forgotten. A Soviet air to air missile downed the plane into the Sea of Japan killing 169 passengers and crew. This act of violence on the part of the Soviets caused world turmoil. Shoes, clothing, and other personal evidence were the only things recovered from the Sea. At Seoul stadium, in Korea, six days after the crash, 100,000 people assembled to mourn the deaths of family and friends.

The year 1983 marked the passing of many legendary people. They included: Newscasters Jessica Savitch and Frank Reynolds; Singer Dennis Wilson of the Beach Boys; Lyricist Ira Gershwin; Heavyweight Champion Jack Dempsey; Jimmy Carter's mother Lillian Carter; Playwright Tennessee Williams; Politician Henry Jackson; Actors David Niven, Arthur Godfrey, and William Powell; Actress Gloria Swanson. Opposition leader Benigno S. Aquino was assassinated on his return to the Philippines at the Manila International Airport. One million mourners took part in his funeral procession. February 9, 1984 marked the death of Soviet leader Yuri Vladimirovich Andropov, after a long battle against diabetes, heart, and kidney disease. Konstantin Ustinovich Chernenko was selected by the Communist Party Central Committee to take the place of Andropov.

Located at the Beirut International Airport was the headquarters of the United States Marine Battalion Landing Team. As morning broke on October 23 at the Marine compound, a truck loaded with more than two tons of TNT burst through barbed wire and an iron gate. The driver set off his cargo of TNT to demolish the four story structure. At almost the same time a similar attack took place at the French barracks. A total of 239 Americans and 58 French paratroopers were killed. This became a solemn time as American families were forced to wait for information about the safety of their husbands and sons.

One of the biggest controversial subjects this year was the U.S. involvement in Grenada. The safety of 1,000 American students at the True Blue campus of St. George's University School of Medicine was the declared purpose for the invasion of Grenada. The United States had been accused of breaking international law even though six Caribbean countries had asked for assistance. The operation commenced as the U.S. Army Rangers parachuted into the Point Salines area and helicopters left the U.S.S. Guam for the Pearl Harbor. After the assault military resistance was stopped and the U.S. was able to produce evidence that Grenada was quickly becoming a Soviet-Cuban base that threatened the U.S. strategic interests in the Caribbean. Currently Grenada is the responsibility of the United States.

In an effort to assist the fragile Lebanese government the United States along with other countries such as France and Great Britain sent their troops into that troubled country to try and maintain peace. The Druze opposition group backed by Syria attacked the Lebanese army and inched closer to U.S. positions each day. Eventually the truck bomb incident happened and U.S. fighter planes were shot down over Syria. The Druze gained strength while the Lebanese army was reduced in man power due to Muslim religious cries. The U.S. then announced a pull out and the Lebanese government made an agreement with Syria and Jordan. As U.S. troops left Lebanon there were still many unsolved problems needing to be dealt with within the country.

By remembering the past, the Golden Key relives the memories, that were a part of every person's life. Hopes for a brighter future depends upon "That Winning Spirit" in the hearts of all people.

George Orwell's 1984

The year is 1984. Millions of people have been waiting for this year, looking forward to it with a mixture of fear and curiosity. Why? Because back in 1948, George Orwell wrote a satirical novel entitled 1984.

In his novel 1984, George Orwell pictured 1984 as a time when the western world would be ruled by a tyrannical government. In the society of Oceania there was no such thing as freedom. Love was punishable; the truth was distorted; and privacy did not exist.

Oceania's powerful leader was Big Brother. Posters of his intimidating face were found on walls over the city. Big Brother knew everything you did, everything you said, and every place you went. The slogan "Big Brother is Watching You" was not merely a technicality, but a reality in Oceania.

Big Brother had many methods of keeping close watch on the people of Oceania. His most effective method was by means of the Telescreen, a two-way television. It was installed in each home, in all public areas, at work, and in recreational areas. This electronic device invaded everyone's privacy. The defenseless people were watched and listened to as they slept, talked, and ate. The Telescreen could not be shut off and if people began to feel insecure about Big Brothers, they were severely reprimanded by the use of the Telescreen.

Every morning the people participated in two-minute hate sessions. The two minutes were dedicated to hating Goldberg, who was the consummate villain. It was mandatory that everyone participate.

Individuals living in Oceania were zombies, except Winston Smith and Julia. Winston was a worker in the Records Department of the Ministry of Truth, who kept a forbidden diary. Julia was a rebellious girl, who came to be like that because her society failed to satisfy her need for companionship and love.

Winston's mind was not hypnotized by the Party slogans: "War is Peace," "Ignorance is Strength," and "Freedom is Slavery." From his own point of view, Winston

strove to be an individual, but from the Party's point of view, Winston was a troublesome man in need of some reminding that Big Brother was not to be disobeyed.

Winston and Julia became involved in a secret relationship, although he knew that it would not work from the very beginning. One day they rented a room from Mr. Charrington, a member of the Thought Police. The room did not have a Telescreen, but even so, Winston and Julia were arrested. Both were imprisoned separately in the Ministry of Love. Winston's life was spared, yet he was ordered to be given complete rehabilitation. For nine long tortuous months, O'Brien, a shrewd man of mysteriously high rank in the Inner Party, put Winston through the first two stages of his training; learning what was expected of him and then understanding it. For days he was ruthlessly beaten, kicked, and clubbed until he confessed to all of his crimes.

The final stage came in Room 101, a room feared by everyone. Winston was made to face what he feared most, rats. O'Brien brought in a large cage filled with rodents and tied it around Winston's head.

When he was finally released, Winston was bald and his teeth were gone, but he believed. He believed Big Brother had the powers to make things right, and only Big Brother could be the savior of the people. Upon realizing this, Winston's rebellious attitude, thoughts, and ideas vanished.

Is George Orwell's 1984 truly here with us? We can safely say that the nightmare illustrated in the novel 1984 is not coming true.

The Telescreen in the novel 1984 is somewhat comparable to today's television. The big difference is that the Telescreen was a two-way television, while today's television is a one-way. Being a two-way television, the Telescreen was used by the Party and Big Brother. They were able to spy on the people of Oceania, and invade their privacy, but the people could not do anything about it. If they did, their lives were at stake, and even if they tried to turn it off, they couldn't because the

Telescreen was programmed so that it would be impossible to be turned off. The people were not given a choice as what to watch on the Telescreen. They watched what the Party and Big Brother wanted them to watch. Today we have the control over what we want to watch, and we are not watched by anyone as we view the television.

In the novel 1984, the only electronic device found was the Telescreen, while today we have computer systems, video games, video recorders, satellite cable television, and the list goes on. All of these electronic devices are still advancing, with some people fearing that these electronic devices will replace people in the work environment.

In 1984, the number of electronic devices were limited, while in 1984, the number of electronic devices are numerous. George Orwell did not strongly emphasize the importance and domination that electronic devices would have in the year 1984. He did not predict the importance of the electronic era.

The two minute hate sessions in the novel 1984 were a reality. In our world it is simply a fantasy. Being individuals and because of the large population, most people would not participate. the slogans "War Is Peace," "Ignorance Is Strength," and "Freedom Is Slavery," contradict themselves. The slogans are simply propaganda.

George Orwell's 1984 can be interpreted in many ways. Some say it is a prophetic novel, others say there just might be some slight relation as to whether 1984 is becoming a reality in 1984, still many others believe it is more fiction than non-fiction.

the year 1984 is definitely with us, but the book 1984 will never be.

In need of an ASB card or school supplies? The best places to turn to were the Finance Office and Student Store. And that's exactly where students turned for their needs.

The well run Finance Office, under the guidance of Mr. Jeffrey Schwartz, assisted students by providing change, selling ASB cards, yearbooks, and tickets.

The busiest place during lunch was the Student Store. Students in need of pencils, gym clothes, paper, and notebooks were assisted by three special students and a helpful advisor. Seniors Kristine Iwashita, Pauline Kawamoto, and Lorna Ung, under the guidance of Mr. Roy Nilsson, dedicated much of their time to help other Orlers.

Serving the school

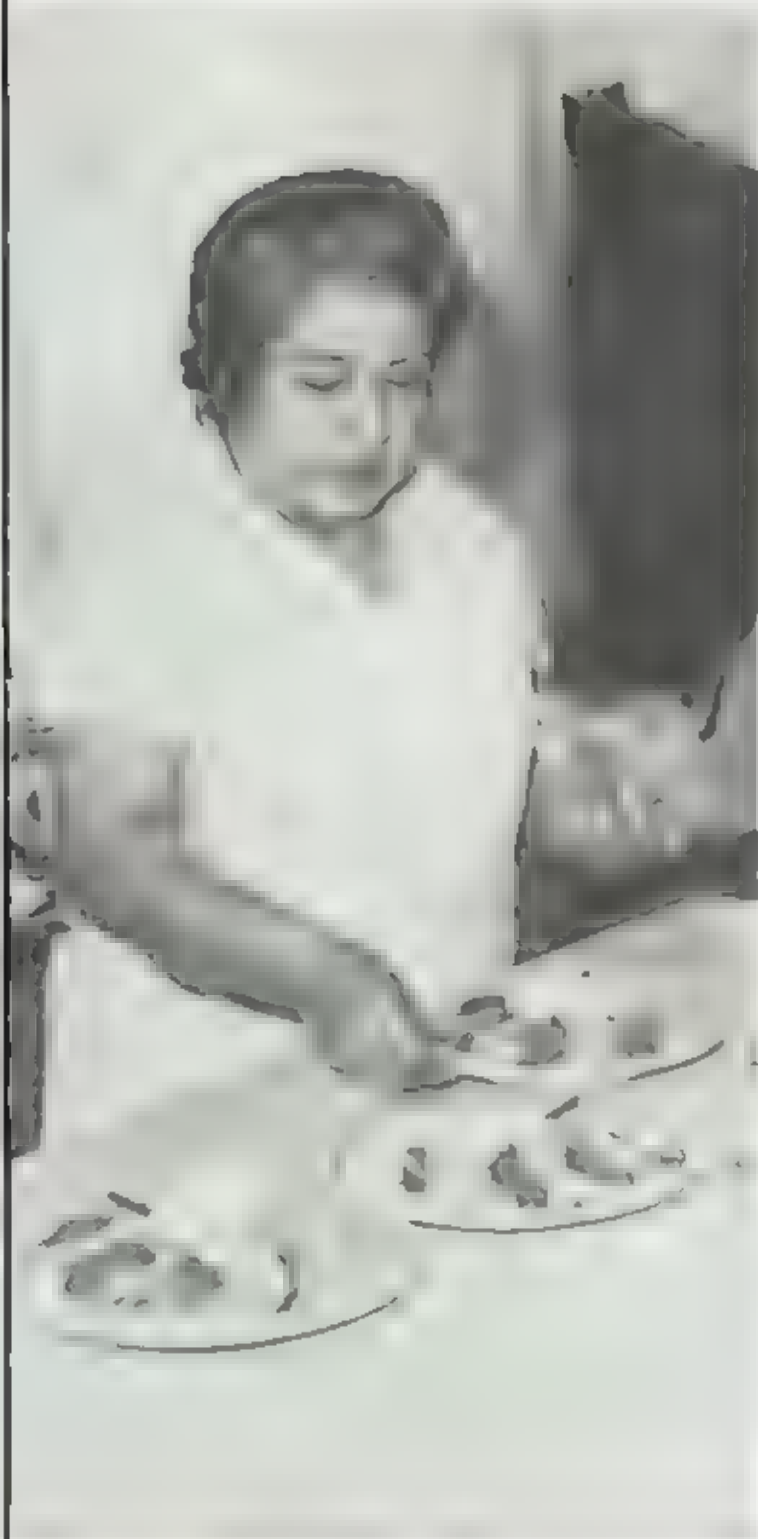

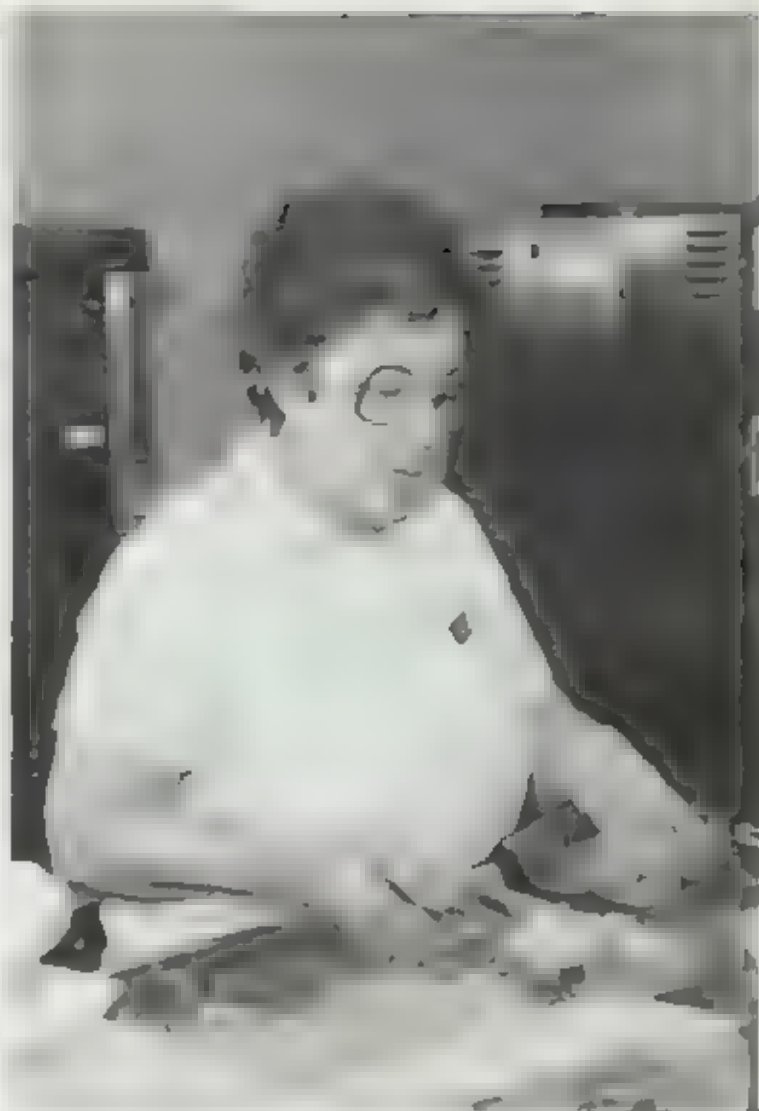

The Library-Media Student Assistants consisted of the Library Aides and Audio-Visual Crew. They helped the librarian, Mrs. Bernice Villegas, and each group depended on the other.

The Sound Crew, under the supervision of Mr. Art Rosenberg and the Press Crew, headed by Mrs. Kathleen Cruz, volunteered to provide our school with special help. The main job of the Sound Crew was to supply and set up all sound and electrical systems for assemblies, dances, pep rallies, and sports events.

Another group of essential people were the cooks and custodians. The cooks prepared for nutrition and lunch, while the custodians kept the hall, Senior Park, and other parts of the school in tidy condition

On Nov. 24, the Wed. before the Thanksgiving holiday the annual Sadie Hawkins dance took place. By tradition, Girls' League was the sponsor of this very successful dance. Preparations began immediately after school to decorate the gym with cascading streamers and pastel colored balloons. Booths were also set up and authentic hay brought in.

An approximate total of 288 couples attended that evening at \$6.00 per couple. Providing a varied selection of music and colorful lighting was the disc jockey Desire. Soda, popcorn, and baked goods were among the refreshments available for hungry customers to purchase. CSF sold daisies, Photo Club took pictures for buttons, and the traditional marriage booth was run by the Spanish Club.

Towards the end of the dance Senior Denise Carrejo was proclaimed Daisy Mae while Sophomore Manny Rubio was named Lil' Abner. Girls' League Secretary Kira Anthofer remarked, "It was a fine hoedown at Dog Patch."

Moonlight and roses

The Winter Ball was held in the school gym to encourage more student participation. Seniors, Juniors tie for annual Powder Puff title

With the traditional help of the JV and Varsity football players as coaches, the Powder Puff game was a success.

Once again the girls were well matched as equally aggressive competitors. After a scoreless first half, the Juniors managed to rack up a touchdown and begun the second half by running through a heavy Senior Defense.

Junior Marlo Salinas, scored the first of too touchdowns in the game. Late in the second half, the seniors counter-attacked with a touchdown of their own scored by Rachel Aleman.

The final score in this brutal Juniors vs Seniors Powder Puff football game was 7-7.

Faculty triumph

2 The faculty defeated the Seniors with a score of 64-48 at the Annual Donkey Basketball game which took place on January 31.

Sponsored by ASB, the donkeys were provided by the Reynold's Company along with transportation and referees. Some of the basic requirements to score at the game were: you had to be on the donkey in order for the person to pass or shoot the ball to any other team member. In order for the player to retrieve the ball from the floor they had to be holding onto the reins of the donkey without letting go, which was no easy task.

Most of the players seemed to enjoy the game while some spent the majority of the time pleading and trying to convince the donkey to move.

- 1 Affectionately known as "Crazy Hanes," Mr. Ron Hanes scores two points to contribute to the faculty's victory
- 2 Varsity basketball player Joan Kawamoto is determined to stay atop her donkey in order to get across court
- 3 As a veteran donkey rider, Mr. Santini Pualoa encourages his donkey to head towards the key for an easy basket

Basketball Homecoming

6 On February 3, 1984, the annual Basketball Homecoming was played against Bell Gardens High School. One of the big thrills of the evening was the coronation of Homecoming King and Queen.

Unlike the Football Homecoming two nominees were chosen from each class, and any one of the nominees had the opportunity to be crowned queen or king. The Homecoming Court consisted of Seniors Derek Asakura and Natalie Gutierrez, Juniors John Hrovat and Marlo Salinas, Sophomores Matt Smith and Andrea Kawamoto, and Freshmen Gabriel Gonzalez and Terry Castillo.

The Boys' Varsity Basketball team battled the Bell Gardens Lancers throughout the evening. The Lancers seemed to have the momentum flowing during the first and second quarters and when the halftime buzzer blared they were in the lead. However, during the third and fourth quarters the game was extremely close. In desperation, with the last few seconds ticking on the clock, Senior Gary Chavez fired the ball at the basket. His thrilling shot proved to be the winning hoop as the Oilers narrowly defeated their opponents 53-51.

1984Olympics1984Olyn

The Olympic Games . . . the very words suggest a winning spirit that is shared throughout the world. This spirit will be displayed in Los Angeles after the publication of this year-book. This piece of writing will deal with the history of the Olympics and of the 1984 Olympics in particular.

The Games have been in existence for many centuries. The first recorded Games were held in the stadium of Olympia, Greece in 776 B.C. There was only one event, a foot-race around the stadium. In the next twelve centuries the Games grew to include contests in running, wrestling, boxing, the pentathlon, and chariot racing. The winners of these events only received a laurel crown from the judges, but in their home towns they were presented with anything from olive oil to tax exemptions. The Romans invaded Greece in 394 A.D. and the Emperor Theodosius the Great banned the Games as pagan festivals. In the following centuries, fire and other natural disasters destroyed the Games' ancient site.

In 1894, the International Olympic Committee was formed to reestablish the Olympic Games. The founder of the IOC was a French baron, Pierre de Coubertin, who found sports to be an ideal way for young people to better themselves. The Olympic Games was seen as a way for the youth of the world to compete in an international setting.

The Committee decided to hold the Games every four years in accordance with ancient Olympic tradition. The site of the Games were to be changed with every Olympiad. The first modern Olympic Games were held in Greece.

1896, 1st Olympiad, Athens, Greece

After much trouble with financing the Olympiad, the Games began on April 6 (Greek Independence Day). The Games were attended by 300 athletes from 13 countries, including the United States.

1900, 2nd Olympiad, Paris, France

The Games were billed as part of the Paris Exposition. The American athletes took home most of the gold medals. Events included in the Games were the tug-of-war, croquet, and fishing.

1904, 3rd Olympiad, St. Louis, Missouri

These Games were to have been held in Chicago but were moved to coincide with Louisiana Purchase exposition. Americans won an amazing 22 of 23 track and field events.

1908, 4th Olympiad, London, England

This Olympiad was the site of much controversy when the British hosts failed to include the United States among the flags of competing nations displayed in the stadium. These Games were, however, declared the most successful one up to that date.

1912, 5th Olympiad, Stockholm, Sweden

These Games saw the debut of "the world's greatest athlete", Jim Thorpe of the United States. Thorpe won the gold in the pentathlon and the decathlon.

1916, 6th Olympiad, Berlin, Germany

These Games were cancelled because of World War I.

1920, 7th Olympiad, Antwerp, Belgium

Although these Games were held right after the war, more than 2,600 athletes from 29 nations attended. For the first time the Games were begun with the presentation of the Olympic flag. The flag used the five-ringed symbol of the Olympics.

1924, 8th Olympiad, Paris, France

These Games saw the sensational wins of British runners Eric Liddell and Harold Abrahams over favored American runners. The wins of these two athletes were the basis for the movie, *Chariots of Fire*. Swimming star Johnny Wiesmuller made his debut by winning the 100 and 400-meter freestyle events. He later starred in the "Tarzan" movies.

1928, 9th Olympiad, Amsterdam, Holland

Women competed in the track and field events for the first time. Germany competes for the first time since 1912. Many Olympic traditions are first observed, including the lighting of the torch, the 16-day duration of the Games, and the limit to three of the number of athletes a country can enter in most non team events.

1932, 10th Olympiad, Los Angeles, California

The Olympic Athletes are housed together in an Olympic village for the first time. 19 new records were set in the track and field events out of a total of 22.

1936, 11th Olympiad, Berlin, Germany

These Games were elegant and controversial. Jesse Owens of the United States destroyed the Nazi theory of a "master race" when he won four gold medals in track and field events over German opponents.

1940, 12th Olympiad, Tokyo, Japan

Cancelled due to World War II.

1944, 13th Olympiad, London, England

Also cancelled because of World War II.

1948, 14th Olympiad, London, England

These Games were held in London, despite the fact that the city was in ruins because of World War II. Over 4,500 athletes from 59 countries attended.

1952, 15th Olympiad, Helsinki, Finland

Czech runner Emil Zatopek broke the standing Olympic marathon record by six minutes. "The marathon is a very boring race," Zatopek was quoted as saying after his race.

1984Olympics1984Olyn

pics1984Olympics1984

The USSR entered the Games for the first time
1956, XVth Olympiad, Melbourne, Australia

This was the first Olympiad to be held in the southern hemisphere. These Games took place after the uprising in Hungary and the Soviet invasion of Hungary. 45 members of the Hungary team defected.

1960, XVIIth Olympiad, Rome, Italy

At these Games, Cassius Clay, later Muhammad Ali, made his debut when he won a gold medal in light heavy-weight boxing.

1964, XVIIIth Olympiad, Tokyo, Japan

The U.S.A. won 23 gold medals in swimming alone as they dominated the other events of the Olympiad. Volleyball was introduced for the first time.

1968, XIXth Olympiad, Mexico City, Mexico

These were the first Games to have been held in Latin America. These were also the Games in which a large number of black athletes excelled.

1972, XXth Olympiad, Munich, Germany

The twentieth Olympiad was a tragic one as eleven Israeli athletes were killed by terrorists. The U.S. lost the basketball event for the first time in Olympic history. The Soviet Union won because of a controversial call by the referees. Mark Spitz of the United States won an unprecedented seven gold medals.

1976, XXIst Olympiad, Montreal, Canada

These Games held in Montreal, were the most expensive one ever held. Poor supervision, inadequate planning, and a loose budget caused the financial disaster. Many records were broken when Bruce Jenner of the United States won the decathlon. Fourteen-year-old Nadia Comaneci of Romania made Olympic history with her scores of perfect 10's in gymnastics.

1980, XXIInd Olympiad, Moscow, USSR

Prior to these Games, the Soviet Union had invaded the country of Afghanistan. The United States and several other countries boycotted the games in protest. Only 80 countries attended, compared to 122 in Munich eight years ago. A total of 36 new records were set in various events with the USSR and East Germany winning nearly two-thirds of all the gold medals.

1984, XXIIIrd Olympiad, Los Angeles, California

Over 10,000 athletes are expected to come and compete in 23 sports and 220 events. Many sports are being introduced for the first time. Some of the new events are: women's marathon, 3000 meters; and 400 meter hurdles, synchronized swimming; boardsailing; and rhythmic gymnastics. The

United States, as host nation, will be introducing baseball and tennis. A torch relay will bring the Olympic flame all the way from Greece to the U.S. where it will pass through all 50 states before arriving in the Los Angeles Coliseum. A ten-week long "Olympic Arts Festival" will precede the Games. The Festival will be the largest cultural celebration to be held in the United States. Performers and exhibitions will arrive from around the world. Theater, opera, and acrobatics will be performed as visitors examine the exhibitions of video technology, communications, and art forms. The 1984 Olympic Games promise to be an exciting event.

Olympic Observations

The 1984 Olympic Games held in Los Angeles will be the second time Los Angeles has hosted the Olympics. These Games differ in many respects from previous Games. Los Angeles originated the use of an Olympic Village to house all the athletes together back in 1932. For the 1984 Olympics, Los Angeles will house the athletes in the dormitories of U.C.L.A., U.S.C., and U.C. Santa Barbara.

These Games are also different in the way they are being handled financially. The twenty-third Olympiad will be run by an Olympic Organizing Committee that is privately run and not subsidized by the government. Different sponsors will be contributing their money and services. McDonald's built a world-class swim stadium at U.S.C. while 7-Eleven was responsible for the velodrome at Cal State Dominguez Hills. ARCO sponsored the nine synthetic training tracks. Even Disneyland helped to raise money. They offered the park to people who were willing to pay a \$100 entrance fee. An estimated one million dollars will be raised in the one evening and all proceeds go to the Olympics. With this business oriented committee, the Los Angeles Games promise not to be like the financially disastrous Montreal Games.

All eyes will be on Los Angeles when the Olympic athletes come from almost every country in the world to compete for medals and no one will be disappointed with the results.

Preparations for Homecoming '83 were frantically made weeks in advance as various clubs and classes organized flower-making parties to create floats. The parties culminated in the All-Niter, where spirited students worked all night to prepare for the Homecoming parade. The Senior, Junior and Sophomore classes, CSF, Choir, and Girls' League entered floats representing the Homecoming '83 theme, "This Is It."

The week of Homecoming was declared Spirit Week, and the whole student body was involved in a demonstration of school pride. Each of the four classes were given a day to show their spirit. The school was decorated with toilet paper Tuesday by the Sophomore class. On Wednesday the Juniors filled 11th grade Counselor Mrs. Billie Slutsky's office with streamers and balloons. The Seniors' day, Thursday, was a sad day in the history of MHS. School pride hit a low point when a few overzealous Seniors vandalized the school. The rest of the Senior class cleaned up the mess.

School was dismissed early Friday so that students could attend the annual Homecoming pep rally. The floats were paraded around Heaman Field and although they were all distinctive, CSF took first place honors. The Senior float received second prize and the Girls' League float won third place.

The finalists for Homecoming King of 1983 were also announced at the pep rally. They were: James Esser, Mark Lopez, Armen Mosikian, Sam Robles, and Paul Zaragoza. Sam Robles was chosen undergraduate king and Armen Mosikian was crowned Homecoming King of 1983.

The crowd was then treated to a funny and exciting show by various spirited Oilers. The Pepsters, Modern Dance Club, and the newly organized Acrosports performed to the delight of the crowd.

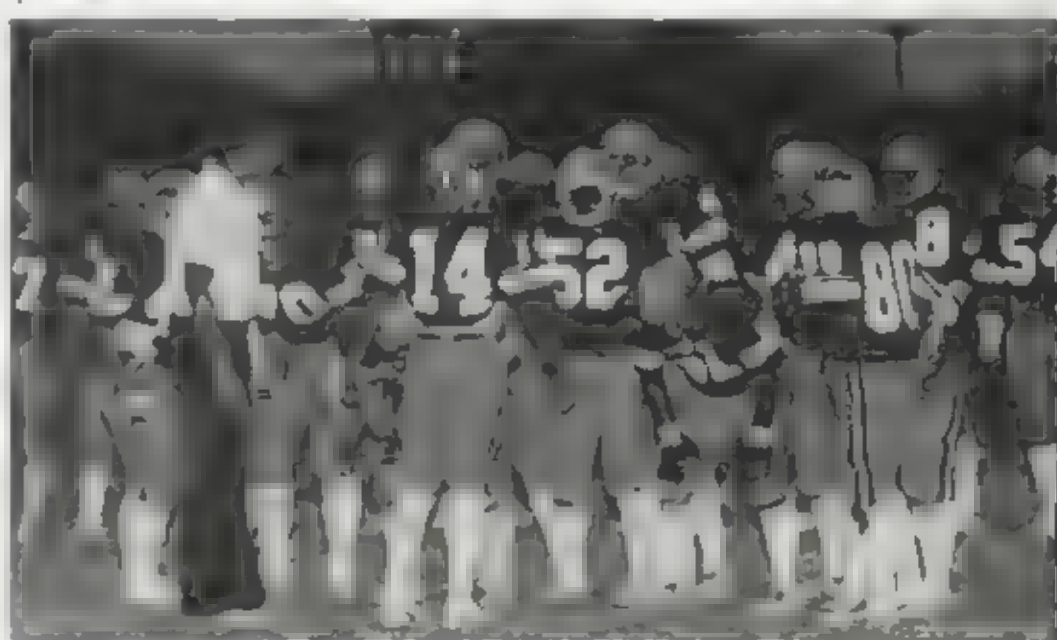

After the pep rally students attended the annual Homecoming Fair where various clubs and classes sold food, drinks, and other items. Annual Staff sold popcorn while Derrick Diary sold baked goods and their special "Students Bodies" calendar. The Sophomore class sold candied apples and spirit buttons. The Spanish Club sold nachos and the Mighty Oiler Band sold M & M's and beautiful MOB mugs. Students cooled off with a cold Coke at the Junior's booth, or with a refreshing ice cream at the Dance Club booth. M-Club sold chili dogs and lemonade and sponsored their annual Auto Bash, where students took out their frustrations by smashing a car. CSF sponsored their unusual dunking booth which was very popular with the crowd.

Friday night saw the Santa Fe Chiefs going up against our mighty Oilers. Students, parents, and alumni came to cheer on the gridmen.

In the first half, quarterback Mark Lopez (14) and receiver Frank Duran (80) completed a great play but the Oilers were unable to score. The Oiler defense kept the Chiefs scoreless throughout the first half.

At halftime, the Tournament-of-Roses-bound Oiler Band performed for the enthusiastic crowd. However, the most awaited event of the night was the coronation of the new queen. The princesses were Donna Lao, Judith Gonzalez, Brigitte Lozano, Sharon Pavlovich, and Grace Sigala. Judith Gonzalez was announced Homecoming Queen of 1983.

In the second half of the game, the Oilers had two field goal attempts, but one was missed and the other was blocked. The Chiefs scored a field goal in the fourth quarter to defeat the Oilers with a final score of 0-3. Although the Oilers were defeated, they took the loss with great sportsmanship. Despite a few disappointments, Homecoming 1983 was a tremendous display of that winning spirit at MHS.

Agile acrobats

A new addition to the MHS pep squad was a group called Acrosports. This team was unique among surrounding schools and it gave loyal Oilers another chance to display that winning spirit.

Acrosports combined the skills of gymnastics and acrobatics. Students who were involved in isometric activities, such as dance, wrestling, cheerleading, etc., were able to join the Acrosports squad.

Mr. Briar Cook coached this team of skilled performers and Miss Shirley Johnson was their advisor. Jerry Valles, a former MHS graduate became the Assistant Coach.

The Acrosports team practiced every Tuesday and Thursday for about two hours to perfect their routines. They displayed their talents to the delight of the crowds at home football games and pep rallies.

Long, hot hours were spent during the past summer to practice and perfect cheers and routines by the MHS Pepsters. All the dedication the Pepsters put in over the summer paid off at the games. They displayed that winning spirit by cheering our athletic teams on to victory.

It was certainly not an easy job being a Pepster, but the girls were able to work together as one group, and became close friends in the process. Being part of the Pepster group was a special privilege and this was truly a memorable year for the girls. Miss Shirley Johnson, the Pepster Advisor, was a tremendous help for the girls. She stated, "As usual it has been a fantastic year. The fun was even greater this year because of all the beauty the girls added to my wedding as junior brides maids."

Crowd pleasers... Rigettes

With high spirit, the incomparable Rigettes stirred up excitement at all pep rallies, football half times, and numerous parades. Although there were only twenty members, their pride and super showmanship doubled to that of forty members.

The Rigettes took part in the Azusa, Montebello, Bellflower, Montclair, and Arcadia parades. Their awesome performances were always presented with accuracy, unity, and pride.

Teaching new routines, picking out uniforms, along with many other jobs, were the responsibilities of Senior Captain Josie Urquiza, Senior Co-Captain Renee Ruiz, and Senior Co-Captain Nancy Garcia. Rigette advisor Miss Esther Lara stated, "Even though we're a small group this year, the girls have shown dedication and spirit to perform well."

Reporting the news

The Derrick Diary newspaper continued its tradition of reporting the news to the MHS student body. Not only did they report on school and local news items, but they also covered world events and their effect on us. All Derrick Diary stories were based on information that student reporters obtained from the faculty, MHS students, and other periodical sources.

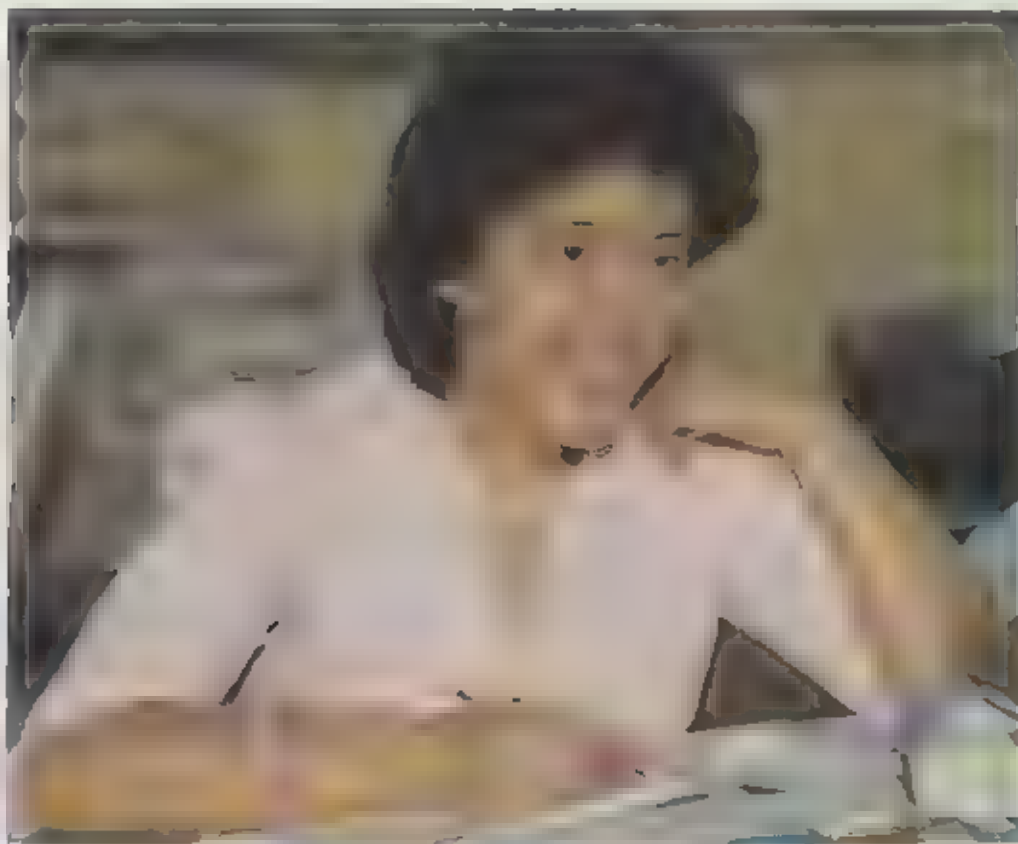

As a biweekly newspaper Derrick Diary was comprised of a format which included editorials (staff opinions), columns (writers opinions), features, and reviews of sports and academic activities. A new Special Supplement Section was added which contained four different inserts on various topics or ideas ranging from the prospect of civilian space travel to the concept of memories.

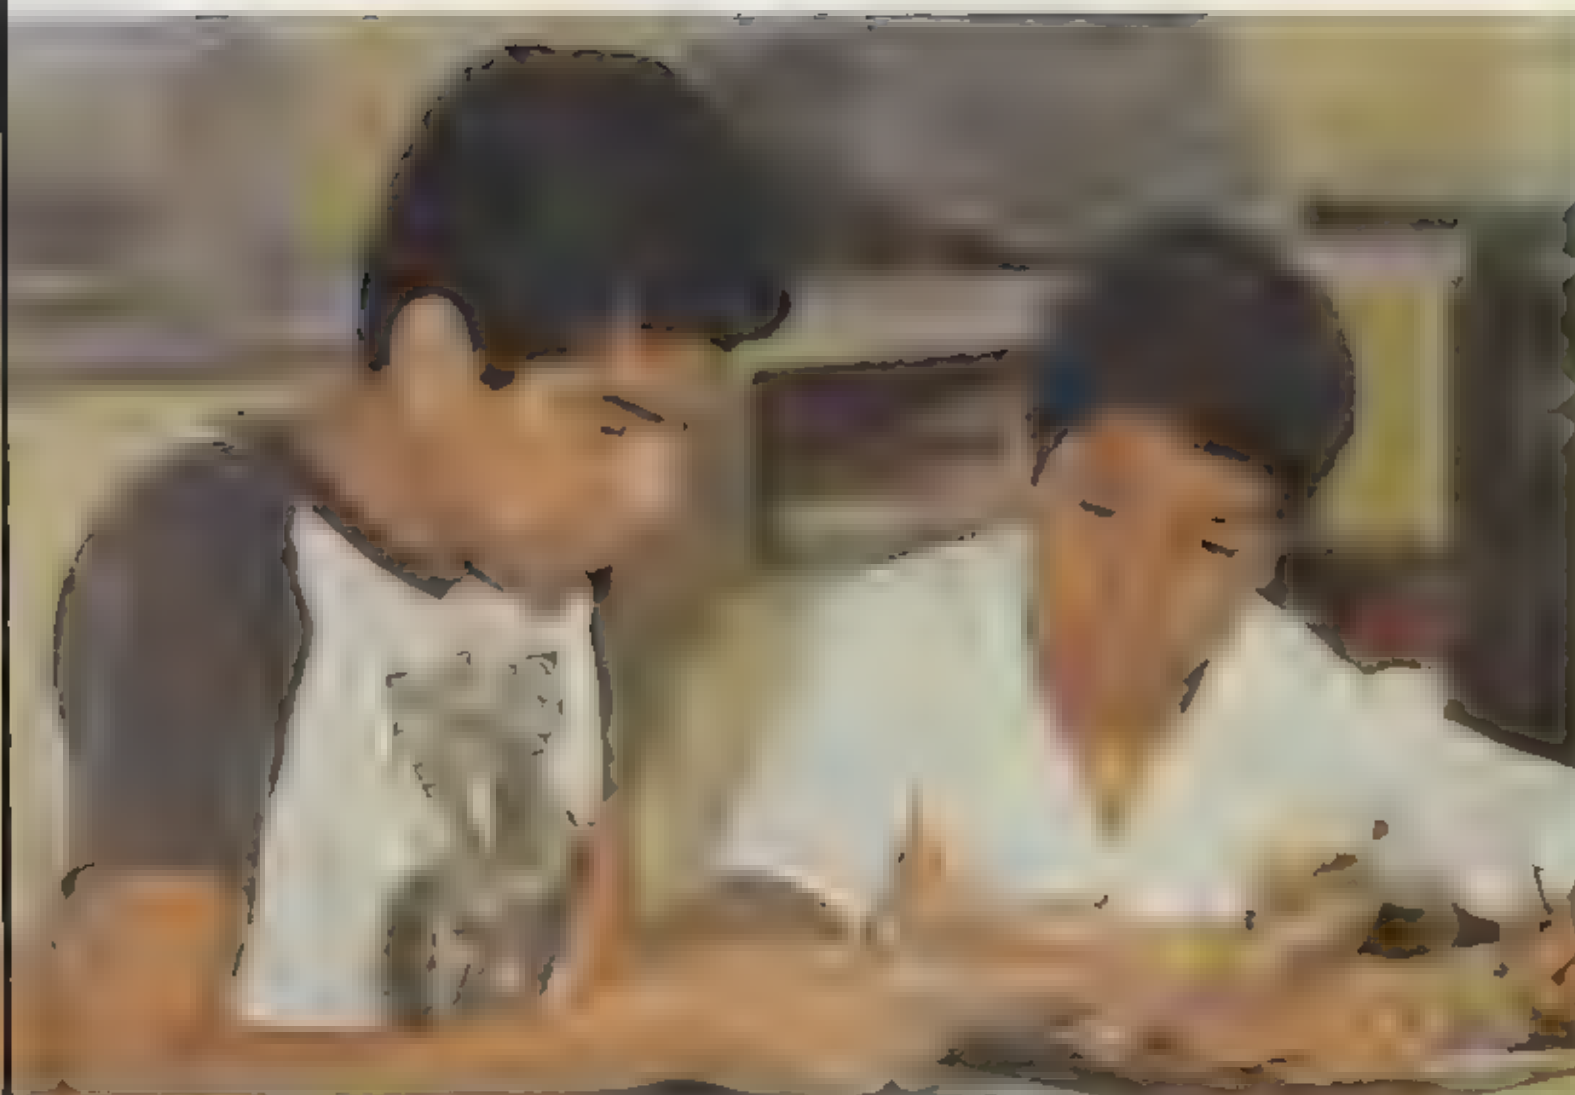

Derrick Diary was led by Editor-in-Chief Sylvia Viramontes and Managing Editors Joanne Martinez and Michael Morris. Mrs. Kathleen Cruz returned as the advisor for the Derrick Diary. For the third consecutive year Derrick Diary was awarded a Gold Medallion from the Western Association of Scholastic Publications.

Capturing
that
winning spirit

Dedicated and determined staff members worked diligently to deliver Volume 58 of the Golden Key Yearbook. Laboring August through April, devoted staffers spent endless hours preparing layouts, photographs, headlines, copy, and captions to be printed in the yearbook.

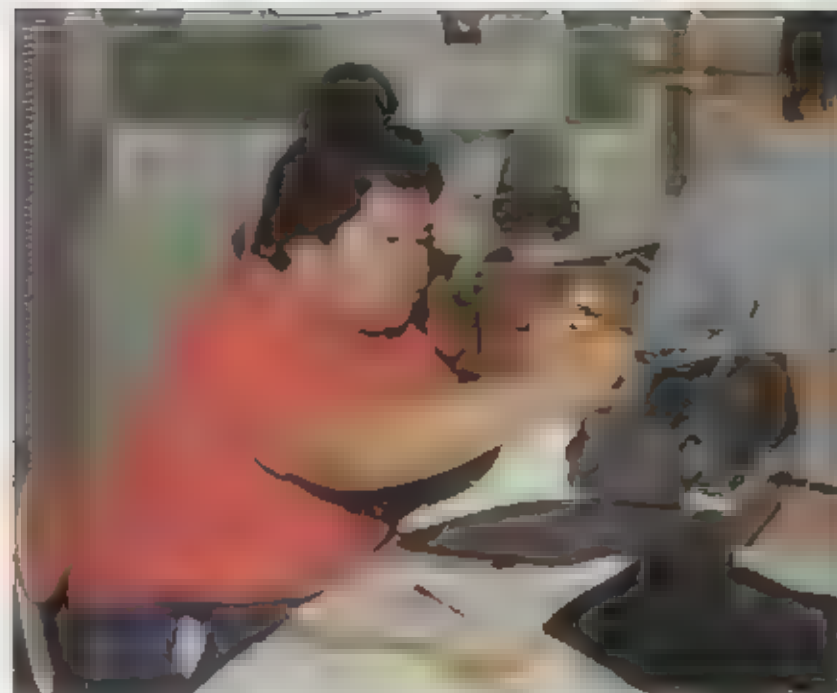

Staff members frantically rushed to complete their assignments and meet the deadlines established by the publishing company. Since there was never enough class time to complete the massive job, the staff often worked extra hours before school in order to stay on production schedule.

Under the leadership of second year advisor Ms. Diane Jaffe, newcomers learned the ins and outs of producing an award winning yearbook. Co-Managing Editors Nina Galluzzo and Kristine Iwashita patiently and calmly guided the staff through all aspects of yearbook production. All deadlines were met on time.

Potential staff members were carefully selected, in a manner similar to applying for a job. After completing a detailed application, students were judged on the basis of their academic ability, special talents, school involvement, attitude, attendance, and a personal interview. "They were a special group of students and it was a pleasure to create this yearbook. I am very proud of them," commented Ms. Jaffe.

Scribe

Scribe was a literary magazine that allowed students to submit their own individual work. Advisor Mrs. Mary Ann Lebow selected students based on their writing ability and originality. Students were required to have completed a course in Creative Writing 1.

Students began putting Scribe together the second semester, during second period everyday. Along with the short stories and poems, students also submitted artwork. There was more photography in Scribe this year. Scribe was published at the Montebello Print Shop, paid by the ASB.

Mrs. Mary Ann Lebow was the advisor for Scribe since 1977. "It's fun. I like working with students and student material" commented Mrs. Lebow. "This will be the best Scribe ever." Sold for one dollar and all profits returned to the ASB, this literary project was distributed in June.

Mr. John P. Cook, Superintendent of Schools

Board of Education: Member Arthur M. Chavez, Clerk Dr. Herbert M. Stearns, President F. Paul Chow, Vice President Darrel H. Hennrich, Member Wilard G. Yamaguchi

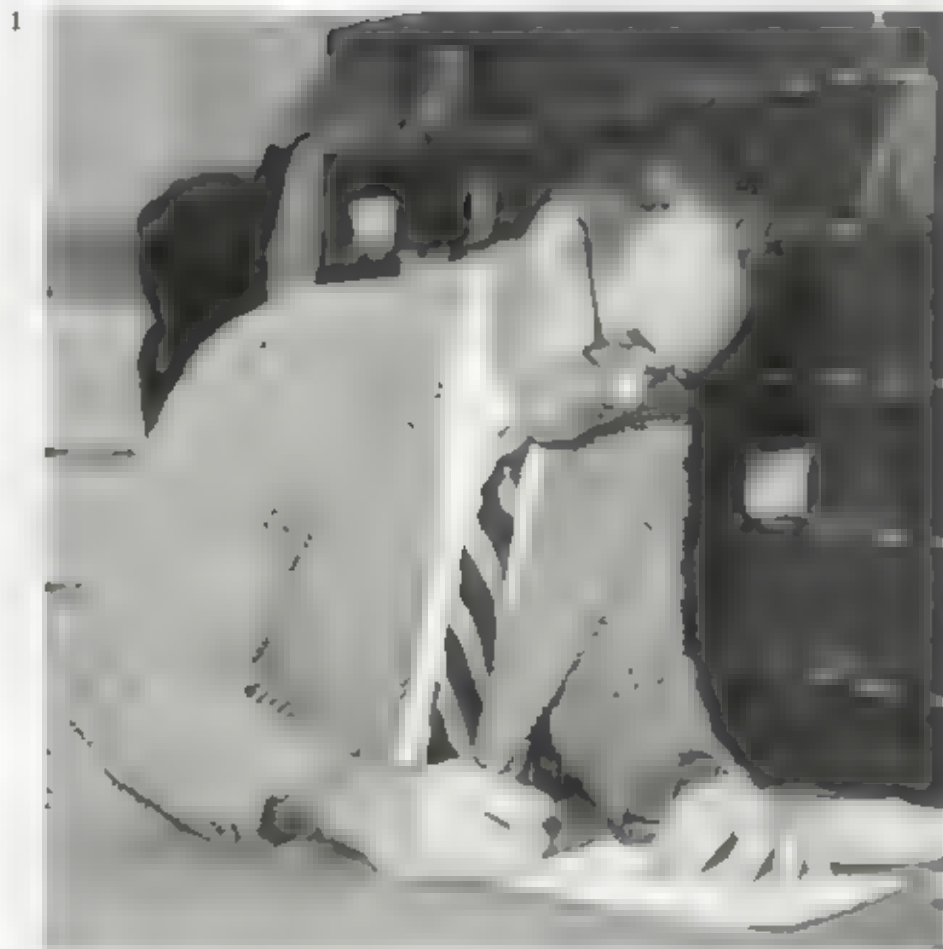

MHS Principal, Mr. Richard K. Benton worked hard to make our school the number one high school in the district. As Principal for the last eight years, Mr. Benton has always established goals for each year. Good attendance, a clean campus, and good student morale were goals that were successfully met for 1984.

Of his many duties and responsibilities, Mr. Benton enjoyed working with students the most. Whether during lunch in Senior Park or waiting at the bus stop after school, Mr. Benton was always eager to interact with students. He commented, "This year has not been different from any other year except for the

Senior vandalism during Spirit week. Other wise we have had an all around good year." When asked about the Mighty Oiler Band attending the Tournament of Roses Parade he stated, "I think it's fantastic. It gave our school a lot of recognition and I think it's a great honor to have participated in the Parade only five bands were selected from California.

Mr. Benton's pride and love for this school were continually shown in every action. He was truly a dedicated and loyal Oiler!"

Career Center/Work Experience

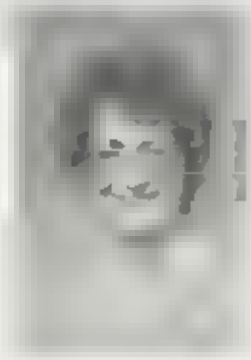

With the aid of the Career Center, MHS students were able to earn school credits and a salary. Job opportunities were made available to any interested student. One of the most common programs was The Regional Occupation program (ROP) which offered on-the-job skill training. These programs helped many students get a taste of what it is like to compete in the world of work

Special Education Art Department

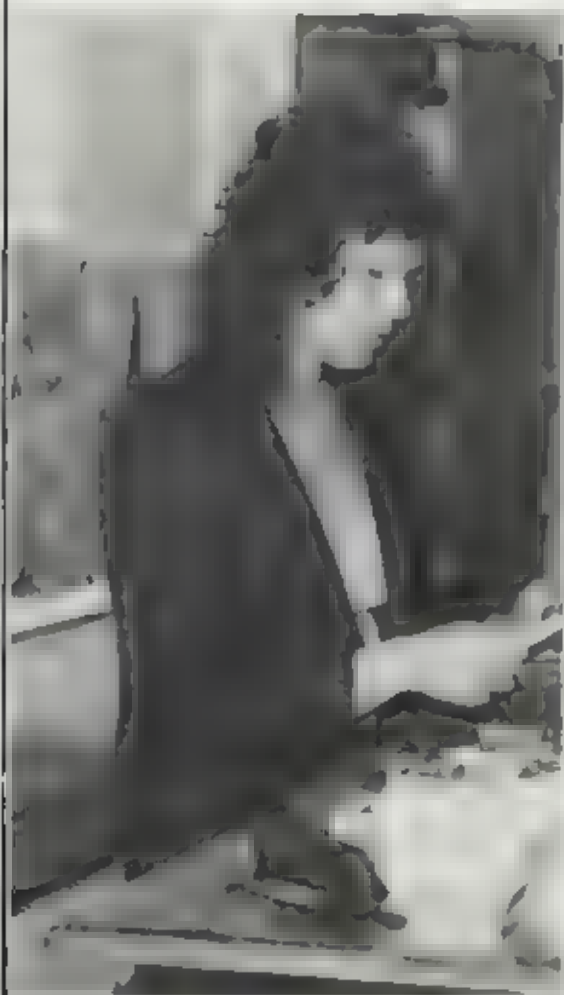

The Special Education Department was designed to aid students who encountered difficulty in learning. Staffed by dedicated faculty members the program was put together to help students become self-sufficient and productive. The students were provided with individual help in a smaller classroom environment, which made the learning process more productive.

Talented individuals were able to display their abilities in the varied art courses offered by the Art Department. With the help of a superb staff of teachers, students developed their talents in courses such as, drawing, painting, crafts, creative wood sculpture, and photography.

In the Business Department students learn skills they need for the modernized future. With electric typewriters and computers they have a chance to practice and learn on modern equipment. Courses such as Typing, Office Job Training, Accounting, Shorthand, and Computer Technology classes helped students choose a path for future employment.

The Industrial Arts Department also offered students training in many career fields. Courses such as Architectural Drawing, Industrial Drawing, Woodworking, General Metal Shop, Electronics, and Automotive Mechanics were classes offered to interested students.

The sweet harmony of Band, Orchestra and Chorus was heard throughout the day. Led by Choir Director Miss Nancy Eastman, there were 4 classes available to students; A Capella Choir, Oiler Chorus, Girls (High Tones) Ensemble, and Vocal (Golden Keys) Ensemble. Classes such as Orchestra and Band, Instruments, and Marching Band gave students a chance to sharpen their musical skills. Under the leadership of Mr. Lawrence Covellone music students proudly represented MHS when they performed in the Annual Rose Parade.

The mathematics requirement for graduation were raised, beginning with the class of 1987. They were raised from 20 to 30 credits. The mathematics department at Montebello High was one of the best in the district. They offered a wide range of classes from Algebra to Calculus. This enabled students to perfect mathematical skills necessary for survival after high school.

P.E. Department

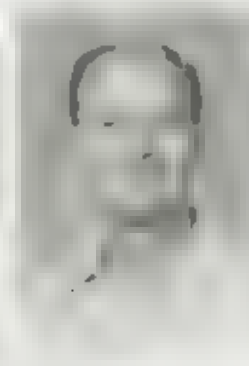

Our Physical Education Department was one of the busiest sections of the school because it was a required class for all Freshmen, Sophomores, and Juniors. Aside from the various daily activities such as volleyball and swimming, there were the extracurricular sports offered during sixth period and after school. Skilled staff members guided these students to build up their stamina and improve their physical condition in order to promote good health.

Raiders vs Faculty

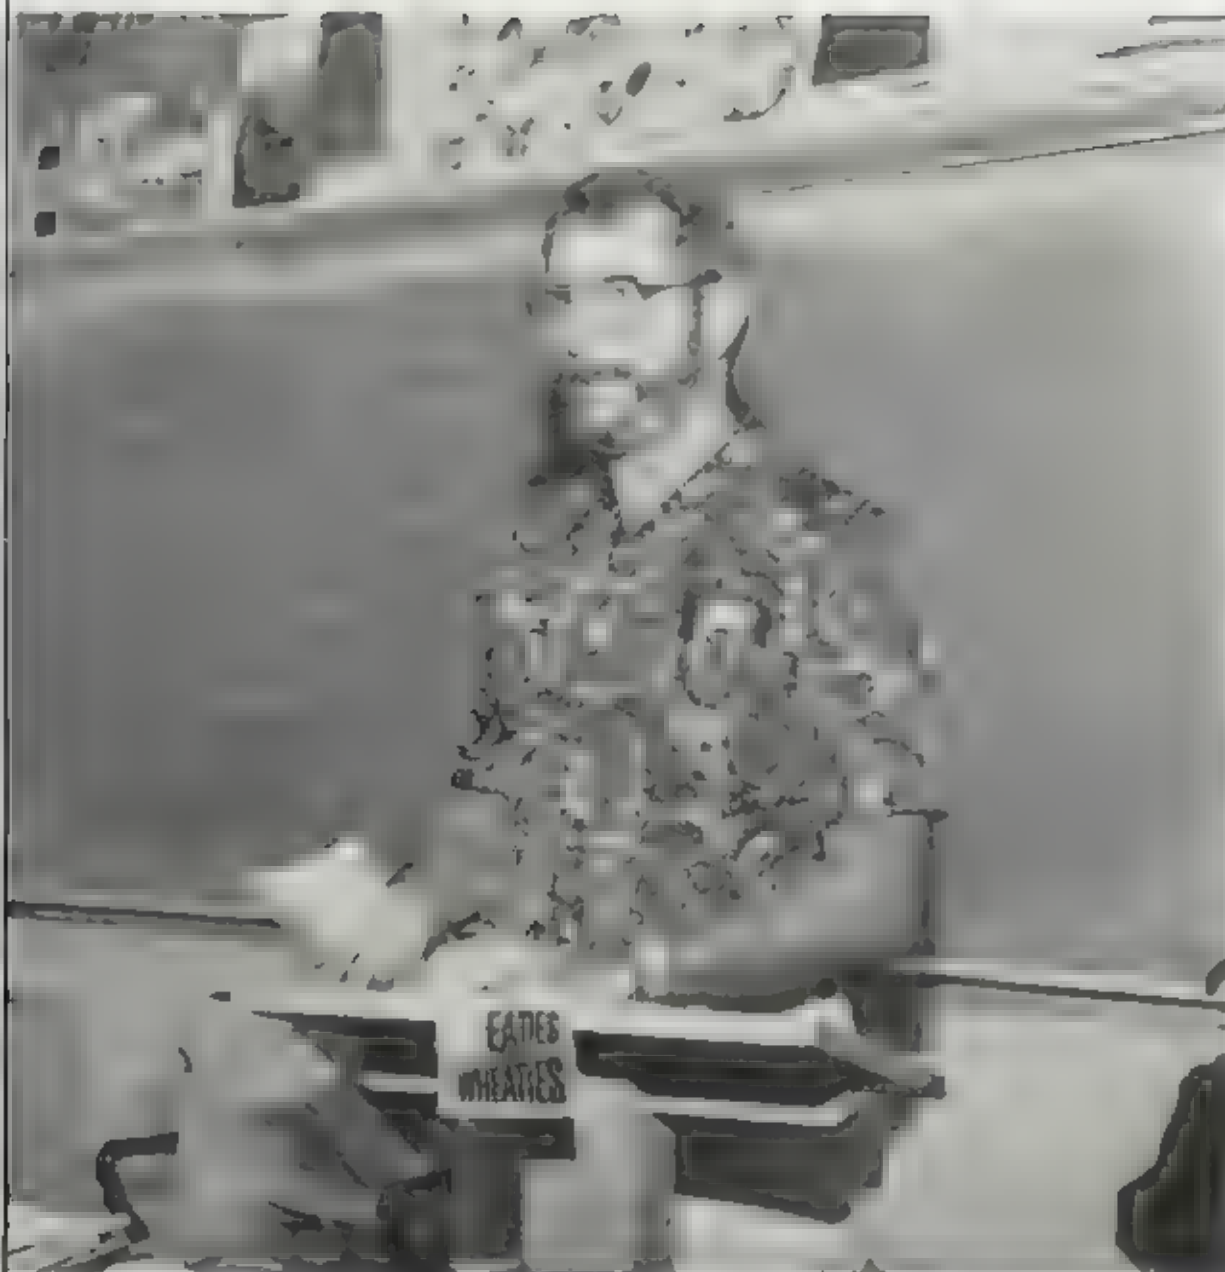

In an effort to raise money for the painting of the school gym, the Los Angeles Raiders graciously took time out of their busy schedule to play an exhibition basketball game against the MHS faculty. The long awaited event took place February 24 at 7:30 in the gym. As game play commenced, both teams proved to be tough competitors with the final score of 62-60 in favor of the Raiders. During half-time spectators gathered round the Raider members to get autographs and meet the superstars in person. Immediately following the game the Raiders, faculty, and top ten student ticket sellers went into the cafeteria for a banquet. As the eventful evening came to a close Mike Davis of the Raiders commented, "It was a pleasure being here at Montebello High School and we're real glad we can help the city and the school of Montebello."

American Government class familiarized students with the workings of our national, state, and local governments. Two required semesters of U.S. History traced the development of our nation, while Western Civilization explored the roots of our heritage. One semester of World Geography taught students about the world around them. Other electives included Minority Cultures, which analyzed various racial and ethnic groups, and Psychology, which taught the study of the mind and human behavior.

Advancing to the first round of CIF for the third consecutive year, Coach Mr. Doug Rihn's hard-hitting Varsity football team displayed teamwork and determination. They entered the play-offs against a tough Ramona High School. After a valiant battle the Oilers were defeated 3-30.

The road to the play-offs involved immense amounts of training, practice, and perseverance. During the summer months, their preparation began to make them the team to beat. Grueling practices in the hot sun did not deter any of the gridmen. In August double sessions began where these hardy young men had to practice once in the morning and once in the evening. When school started, players continued with long practices and homework.

MVP Mark Lopez, three year varsity member, played both quarterback and defensive back positions. As team Captain, he lead the defending champions with that winning spirit

Getting off to a good start the Oilers won the first league game 13-7 against the El Rancho Dons. After losing to the Dons for five years in a row the Oilers were finally able to fight back and win. They then went on to gain a second victory over the Pioneer Titans. Three frustrating losses were then to come to the mighty Oilers, against La Serna, Santa Fe, and Bell Gardens. In the Cal Hi game the Oilers did a turn around and won 41-21. This much needed win gave the Oilers more confidence and enthusiasm. With hopes of entering the CIF play-offs the players neatly polished off the Whittier Cardinals 51-7, setting a new school record for the most points scored in a game.

With three teams tied for third place, a coin toss was needed to decide which team would go seeded third to the CIF play-offs. The candidates were MHS, El Rancho, and Santa Fe. Luckily the Oilers won the toss and were able to compete in CIF competition. Unfortunately, they were beaten in the first round. Although the loss was a disappointment to the Oilers they all felt they had a satisfying season.

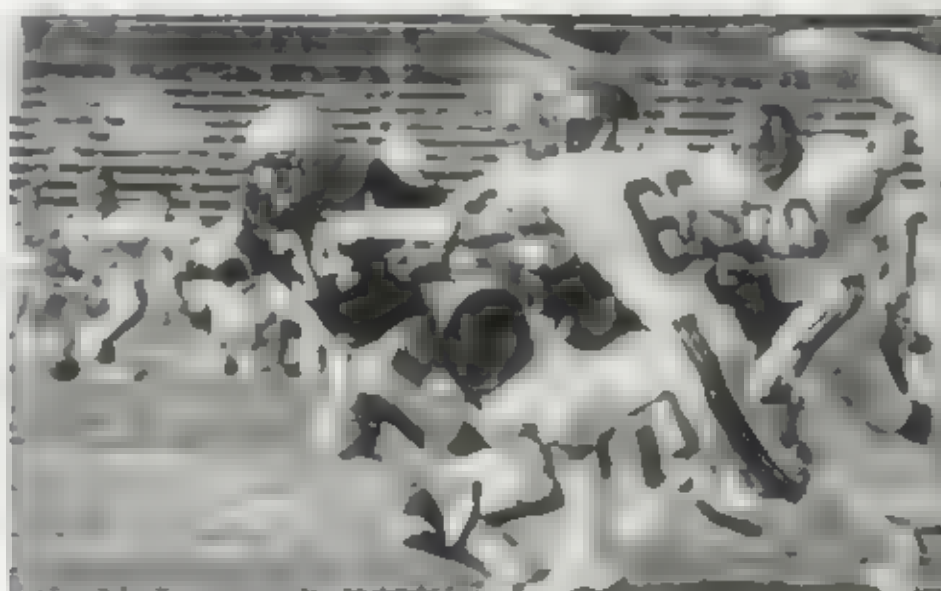

Some misfortune plagued the Oilers in injuries. In the first game of the season against Rosemead Sam Robles, a promising Senior, received a head injury which took him out for the rest of the season. This left the position of runningback open for William Avina to fill. During practice one day an accident took George Atilano out for the season with a head injury also. Both players provided constant support for their teammates and were missed on the playing field.

During the season some outstanding players broke and tied a total of five records. During the Edgewood game Armen Moskian kicked a 51 yard field goal which broke the old record of 49 yards. He also tied the record for the most conversions in a single game. Mark Lopez also managed to set a new record with nine individual touchdown runs for the season. Both Avina and Lopez had three individual touchdown runs in a single game to tie the old record. Manuel Bustamante also tied a record with three individual sacks in a single game.

Their banquet was held at the Stevenson's Steak House where many players received trophies and honors. The Most Valuable Player title went to quarterback Mark Lopez. Chris Medina was awarded Most Inspirational Player, while Sean Etheridge was given the Most Improved Player award. Hitter of the Year was Manuel Bustamante, who received a hammer mounted on a plaque. Assorted awards were also earned by Jose Varela for Defensive Lineman, John Rodriguez for Offensive Lineman, and William Avina for Offensive Back.

Additional honors were bestowed upon four players. Mark Lopez and Jose Varela were named Offensive First Team All League. Kicker Armen Moskian was chosen for the First Team Tight End. Sean Etheridge was picked for the Second Team Offense All League.

Scoring for the championship

Led by Head Coach Mr. Wayne Willson and Assistant Coaches Mr. David Mushegan and Mr. Bill Druhas, the JV Football team experienced a flourishing season. With a record of 8-1-1 these young men seized the championship title of the Whitmont League.

Although all 42 members of the squad contributed to the success of the team a few were given awards. The Award for Most Valuable Player was bestowed upon Sophomore Ruly Ruiz. Junior Ralph Aranda and Sophomore, John Otero were given the Captain award. The Offensive Award was given to Sophomore Alfred Lopez and Carlos Contreras. Junior John Reyes was the chosen recipient of the Defensive Award and Most Improved Player went to Sophomore, David Iniguez.

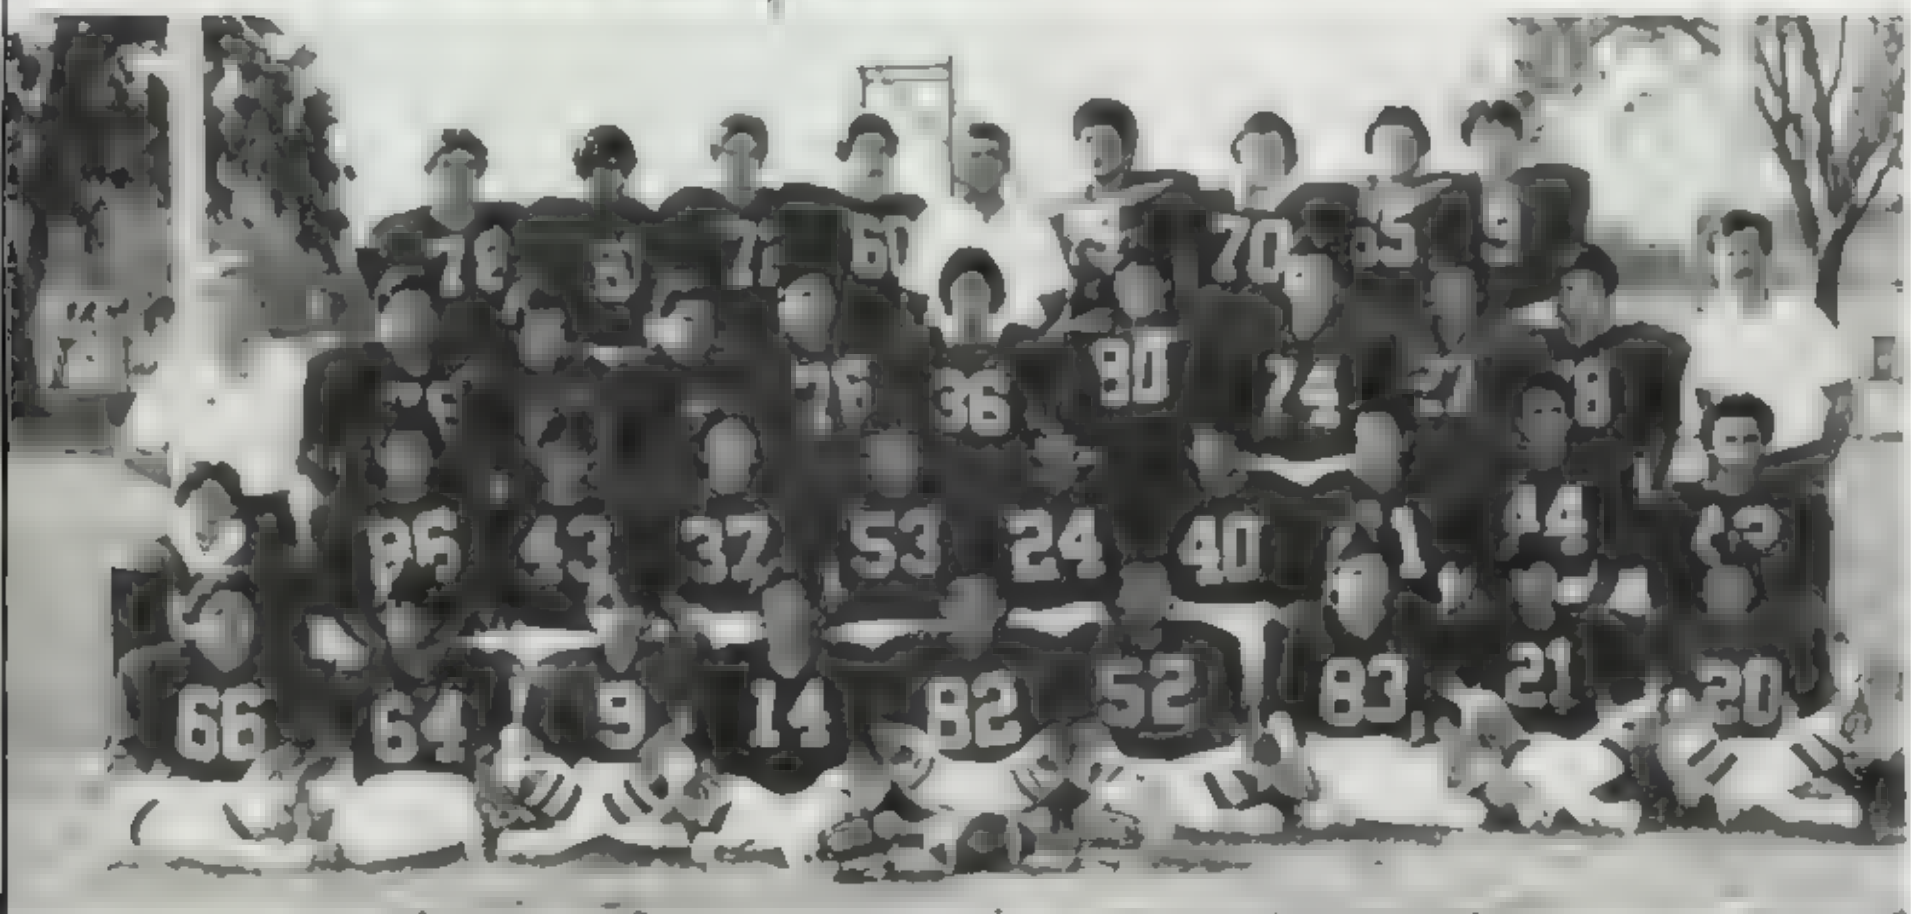

Coach Willson remarked, "The JV football players had two good years as freshmen and sophomores, winning league two years. They should have a good two years at varsity level, because there's a lot of good talent. The football program should be very successful."

Coach leaves Frosh team

The freshmen football team had a competitive season and wound up with a 2-7 record. Sharing the coaching responsibilities were Mr. Anthony Perez, Mr. Dennis LaCammere and Mr. Dennis Rihn. Coach Perez announced that this was his final year of coaching. He stated his reason for leaving, "I'm going to spend more time with my family and one year old son." At the award banquet, Ernie Ramos was honored as Most Valuable Player.

All of their hard work paid off as they shared the Whitmont League Championship title with the Whittier High School Cardinals. The Oilers experienced a league record of 7-0. After qualifying for CIF preliminaries, they raced on to place ninth in the CIF finals.

Girls' Varsity Cross Country... pacing with pride

1 Girls' Varsity Cross Country displayed their running talents by winning a second place in the Whitmont League with a 6-1 record. Although they were eliminated in the CIF preliminaries the girls had many other accomplishments for which they could be proud. They expressed confidence and endurance during the long series of invitational in which resulted in continued superior performances.

Hours of practice were spent in early morning training to keep in condition for upcoming races. These Oilerettes could be seen jogging through Montebello at a steady and even pace. In addition to practicing, each girl exhibited a good attitude which kept up the entire team's morale. Coach Mr. Don Petruskin also played a big part in the success of the team. Working together and providing moral support for one another was their key to success.

By increasing her running time, she became a leading force in a successful season for the Girls' Cross Country team. During the CIF preliminary Alma ran a three mile course in seventeen minutes and fifty-three seconds. She also helped the Montebello Oilerettes earn second place in the Whitmont League. Alma has set a great example for her underclass followers

Spirit keeps them striving

Continuing their winning tradition were the Boys' and Girls' JV and Frosh/Soph Cross Country teams. Coming home as Whitmont League Champions were the Boys' JV and Girls' Frosh/Soph teams with a perfect record of 7-0. Girls' JV and Boys' Frosh/Soph had respective records of 6-0 and 6-1 to put them in the Co-Championship spots.

All four of these teams trained long, exhausting hours everyday to be ready for competition. Coaches Mr. Roy Nilsson and Mr. Don Petrushkin provided encouragement and counseling to all the runners on the teams. Coach Nilsson remarked, "They were a good team and fun to work with."

Girls' Varsity Volleyball . . . bump, set, spike

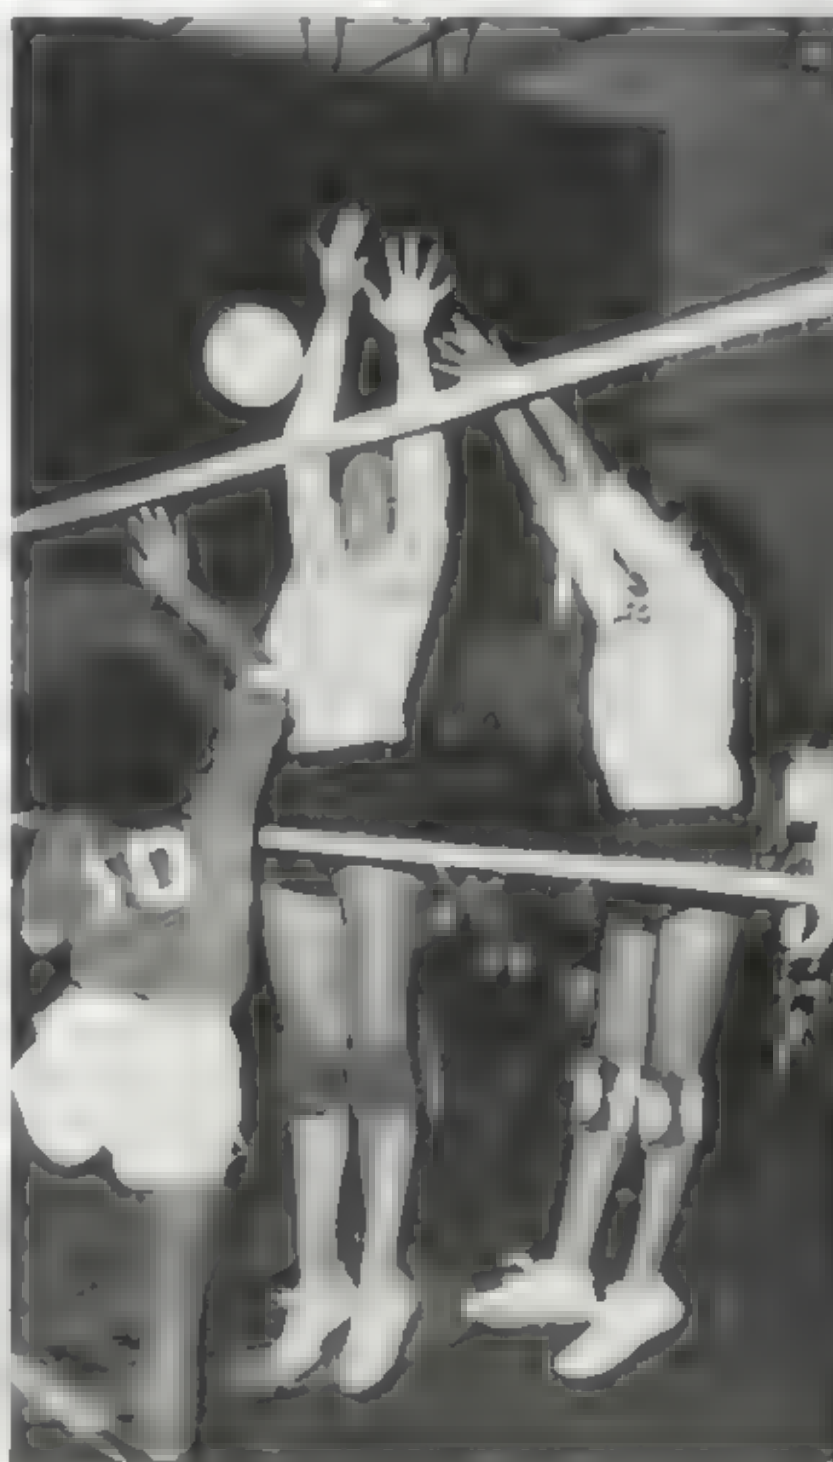

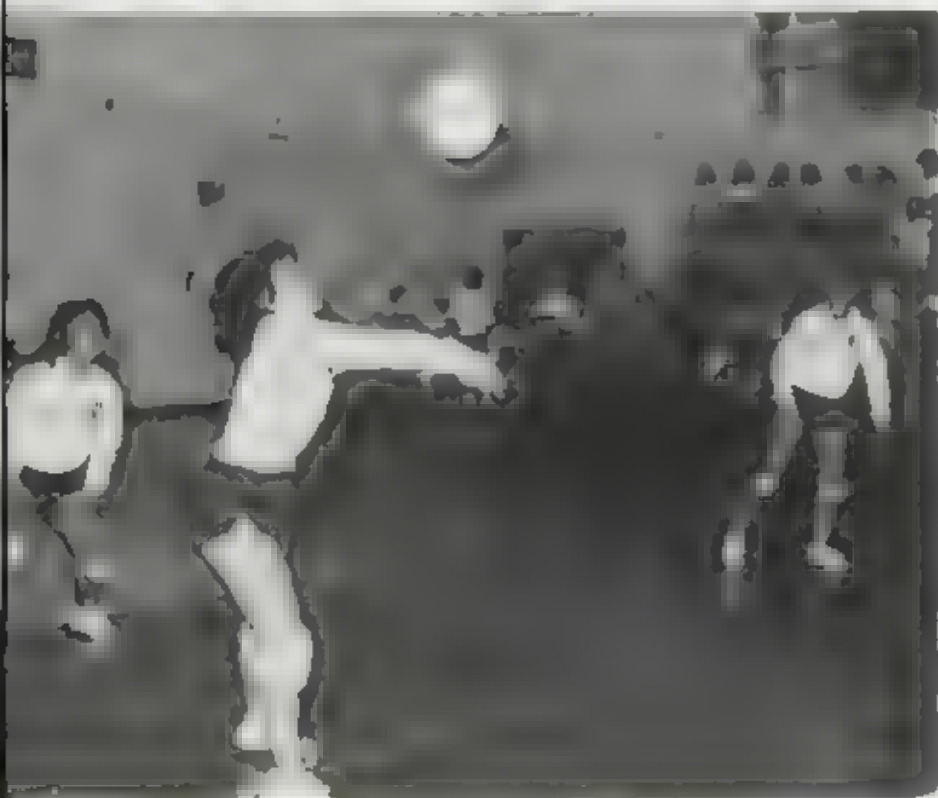

Long before their season began, the Girls' Varsity Volleyball team was hard at work. All summer, the group endured strenuous workouts, lifted weights, and in addition, ran a two miler every week under the watchful eyes of Mrs. Mary Jo Simons. Also, to prepare them for their tough Whitmont league rivals, the Oilers competed in two different summer leagues, Ramona and San Gabriel. Montebello garnered a third place finish in the San Gabriel league.

The team faced a challenging season and although they proved to be tough contenders, they only placed fourth in league with a 9-5 record. They had an opportunity to participate in CIF preliminaries after beating the Bell Garden Lancers in the second round. However, the Oilers suffered a disappointing loss to California High leaving them in fourth place.

Named to the first team All-League was four year Varsity veteran Lisa Hamutoff. Senior Kira Anthofer was honored to the second team All-League. At their awards banquet, Senior Rachel Aleman received the Most Valuable Player award and the Most Improved went to Anthofer. Lisa Tao was named as the Best Defensive Player.

Varsity Tennis repeats another winning year

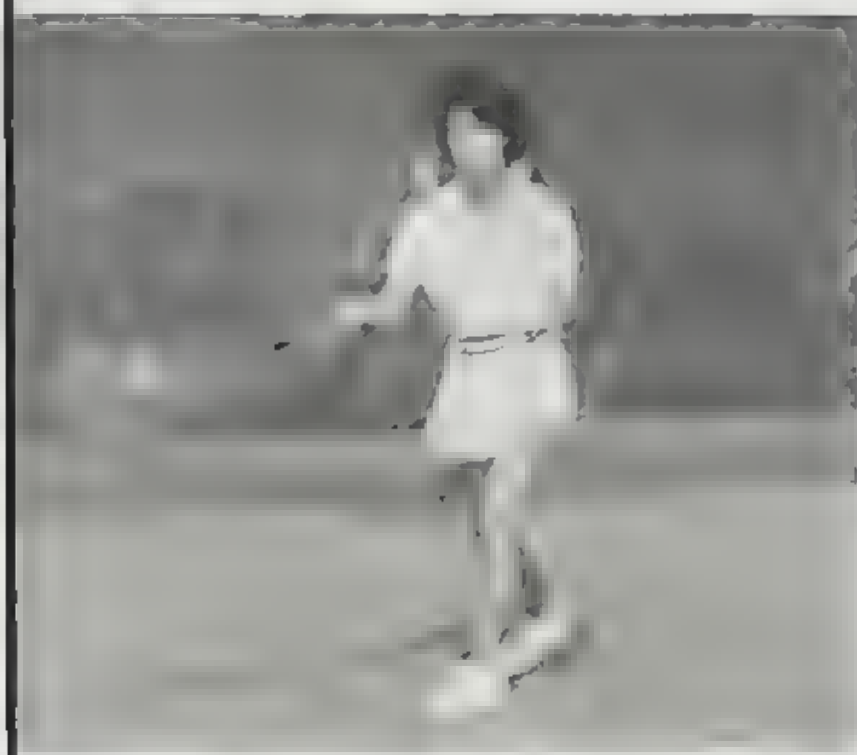

With only three returning players on the Girls' Varsity Tennis team, the group's outlook for the 1983 season did not seem bright. However, under the guidance of Coach Mrs. Dorothy Francisco, the Oilers romped through an undefeated 5-0 pre-season and compiled a 8-1 record in league, earning them a second place finish.

Their success was attributed not only to the countless hours of practice, drills, and tournaments which sharpened their skills, but also to their strong desire to win. Pre-season opponents that fell to the Oilers included Walnut, Los Altos, Schurr, Mark Keppel, and San Gabriel High Schools. Their 11-7 victory over Schurr High was the first in nine seasons for MHS.

Tramplng league rivals

The Girls' Varsity Basketball team was on their way to a winning season from the very start. In pre-season play they defeated prestigious Mater Dei, won the Downey Tournament, and the La Puente Tournament. Once the regular season was under way they remained undefeated in the first round. The aggressive Oilerettes became the team to beat in the second round by proving to be tough competitors. Their chances of becoming league champions and advancing to CIF became greater with each passing day.

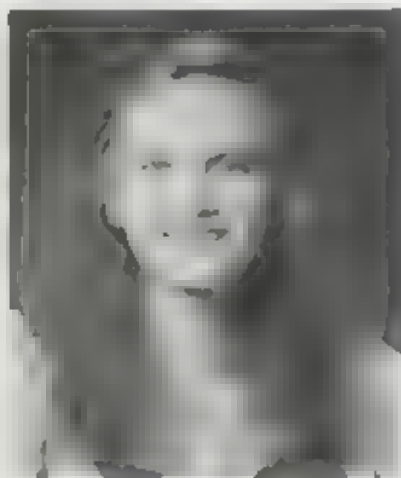

The biggest asset they had was their capability of getting along with one another both on and off the court. Besides this, the team was gifted with much individual talent and enthusiasm. The team consisted of excellent ball handlers, extraordinary jumpers, accurate outside shooters, and a 6'3" center. All these girls were encouraged by their second year coach Mr. Bill Bowley. He provided the patience and guidance to lead the girls to one victory after another.

Securing a second place during the first round of play was the Girls JV Basketball team. They had a 6-1 record with their only loss to Cal High. 13 Mrs Lopez goes up against the defense and have a good fight with 2 rounds.

Experiencing a sensational season

Coached by Mr. Roger Stone, the Boys' Varsity Basketball team completed their season with a satisfying record. Unfortunately, the Oilers were faced with an open position at guard when an injury took first string, Derek Asakura, out for most of the season. Luckily, Tracy Inoue was able to fill this position and played with Burt Kumagawa as the other guard. Seniors Gary Chavez and Dennis Barnes were the Oilers starting forwards, with Richard Urias as center. This mixture of talent was always a threat to the opposing teams, but throughout the season the Oilers often got into foul trouble and the rest of the Oiler team was called upon to help add to the scoreboard.

JV shows promise

Winning the league championship for two consecutive years, Boys' JV basketball displayed both talent and enthusiasm. A few players were recognized at the end of the season. Leading the team in scoring were James Leal, Matt Smith, and Raul Soto who ended the season with over two hundred offensive and defensive rebounds. With this mighty combination of talent, there were few teams able to beat our Mighty Oiler Team.

The JV Soccer team encountered a promising, yet unusual season. The lack of a Whitmont League for JV Soccer caused all matches to be "practice" or non-league games. This resulted in less participation and the team averaged approximately eight to nine games throughout the season.

In some situations the JV Soccer played other Varsity Soccer teams, which offered both a challenge and also a chance to improve their skills.

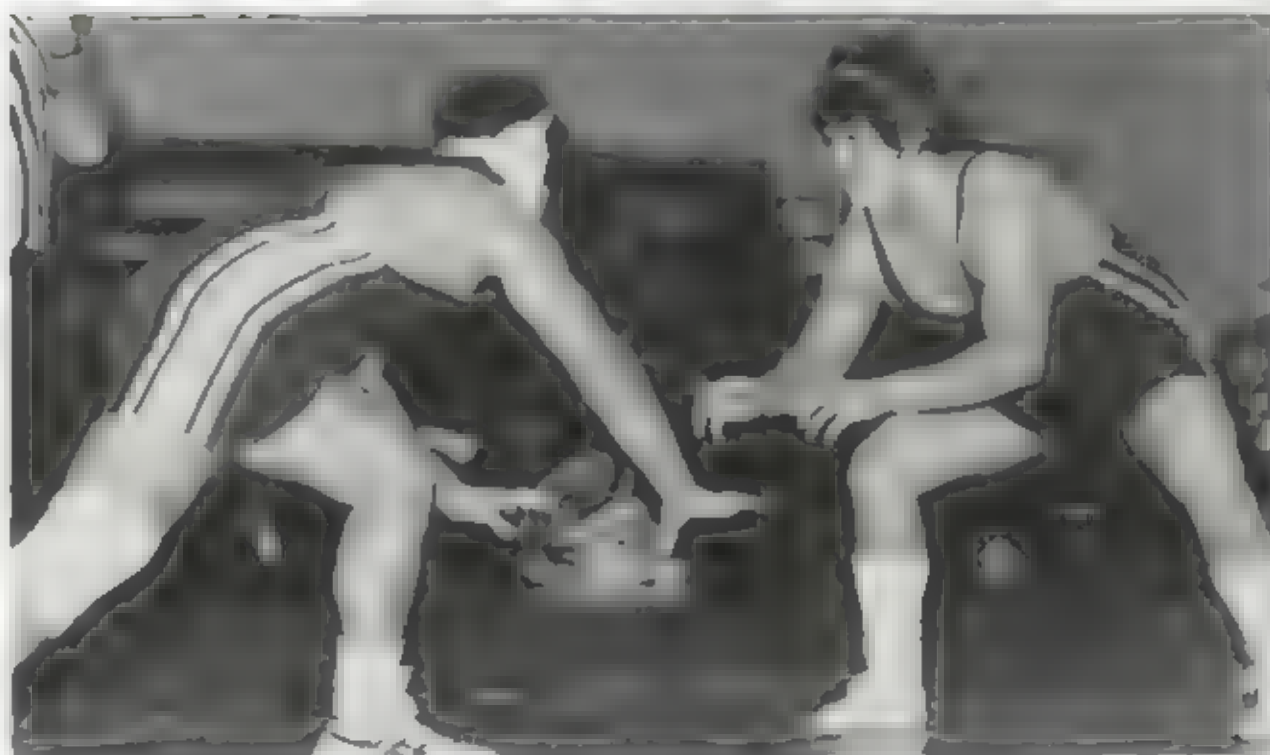

Mr. Ed Saldivar, who has coached both Varsity and JV Soccer at MHS for the past 14 years stated, "The JV Soccer team showed a lot of promise. As we have a predominate number of Seniors on the Varsity, most of the JV players will be Varsity players next years."

Varsity Soccer

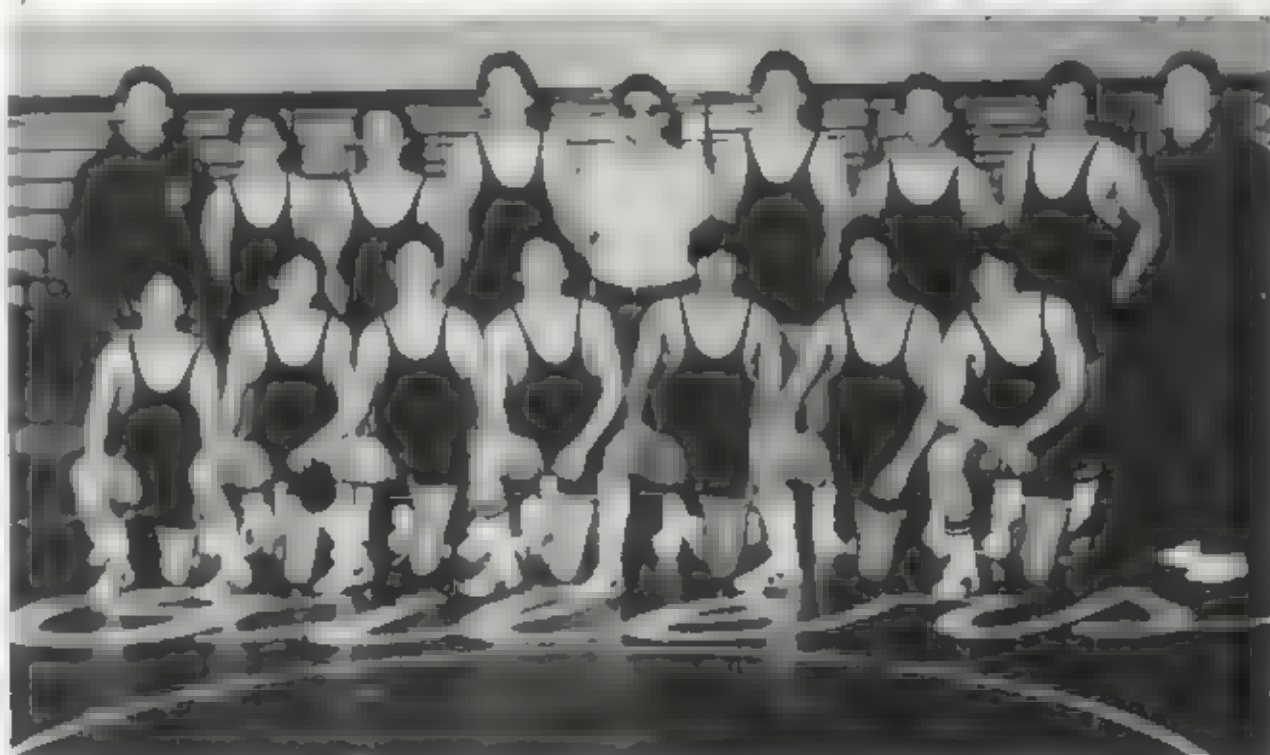

Pinning the opposition

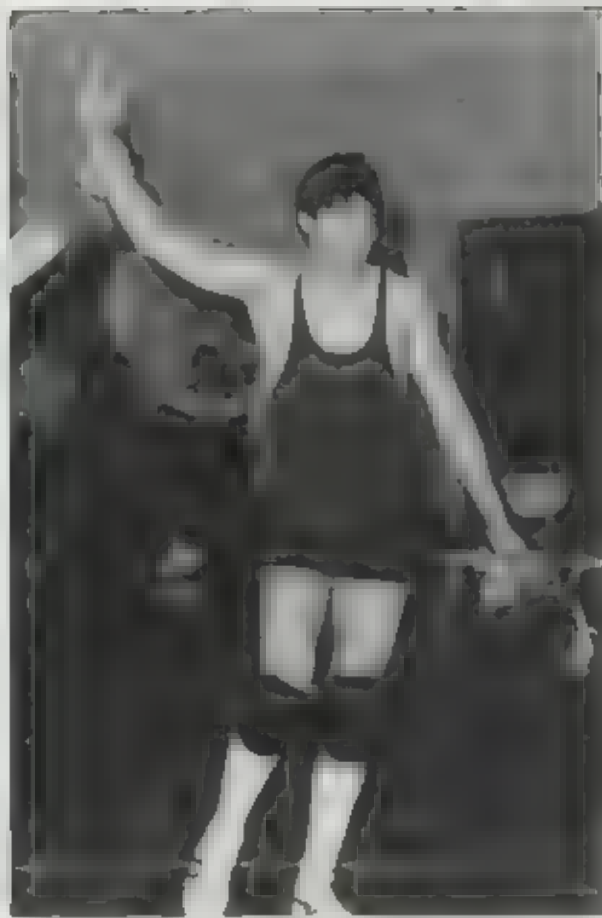

The Varsity Wrestling team coached for the sixth year by Mr. Jose Gonzalez, had yet another successful season. They proved once again to be a leading competitive force for the coveted Whitmont League title.

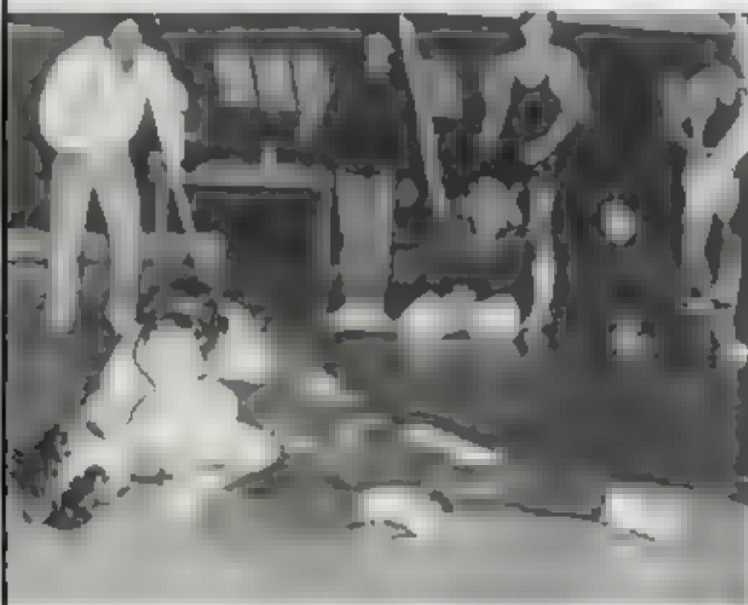

The object of the sport of wrestling is quite simple: you must take your opponent down or "pin" him to the canvas. Depending on how your opponent is pinned, you receive a certain number of points. The wrestler has an array of "holds" to score points. Matching strength and wit is a basis for the sport, yet the more clever of the two matmen usually prevails as the victor.

Due to injuries, the team suffered two losses during their tournaments. Yet expectations for individual members of the wrestling team to advance to the CIF tournament were positive for the powerful Montebello matmen.

Most Promising Players Jay Martinez and Sean Crow were wrestlers who displayed outstanding performances and superior wrestling skills during a tough season

COACHES' CHOICE
Mr. Ron Hanes has been successful in the coaching of Boys' Varsity football and baseball, but there was quite a large transition when he began coaching for the Girls' Varsity Softball team.

With ten years of baseball experience from his high school and college days, Coach Hanes was accepted by the team with respect and admiration.

Coach Hanes trained the girls since the fall football season. Their workout consisted of sit-ups, running bases, climbing bleachers, and running a mile daily. The girls learned a great deal of positive motivation and teamwork from a dedicated coach. Together they captured that winning spirit.

Junior Representatives

Hard working members of the Junior Class sponsored many activities and held fundraisers during their term in office. Under the superb leadership of Chairperson George Atilano, the Junior representatives Alicia Melina, Rosemary Ramirez, and Gregg Katano, enthused other Juniors to get involved. Besides that special Junior spirit the representatives helped organize the Rocktober Dance and the Tree Decorating Contest. Students were especially proud of the magical night of the Junior Senior Prom. Their fundraisers throughout the year included a Coke Sale, Suckers Sucker Sale, Candy Apple Sale, Frozen Banana Sale, and numerous Bake Sales.

When asked about the goal for the class of '80 George Atilano stated, "Overcome our past obstacles and in the future prove that we are the best."

Maneuvering bumpy roads the Junior Class crossed the finish line with a successful stride enhanced by that winning spirit.

Sophomore Representatives

A determined Class of '86 started the '83-'84 school year with the goal of excelling in school spirit. Under the leadership of Priscilla Pinon, Frank Campbell, Toni Acevedo, and Chairperson Amy Olague, the representatives planned and worked together for another successful year. The Sophomores sponsored the Spring Fling Dance and had many fundraisers including Bake Sales, a Candy Apple Sale, Spirit Button Sale, and a See's Sucker Sale.

When asked about the goal for the Class of '86 the Sophomores responded, "Our goal is to make the Class of '86 the best and most spirited ever, and to bring everyone close together like a big family."

To Linda,

well it has been a great year and we have all learned a lot from each other. We hope to continue to work together in the future. May god bless you always.

Freshmen Representatives

Under the fantastic leadership of Tiffany Chavez, Terry Castillo, Katrice Ortiz, and Classperson Desi Lucero, the Class of '87 got off to a great start. Struggling to overcome the awesome new environment of the high school, the newly elected representatives came through with that winning spirit. Fundraisers sponsored by the Class of '87 included Bake Sales and a Sticker Sale.

When asked about the long term goals for the Class of '87, Katrice Ortiz stated, "Our goal is to prove to the upperclassmen that we are proud to lead the Class of '87."

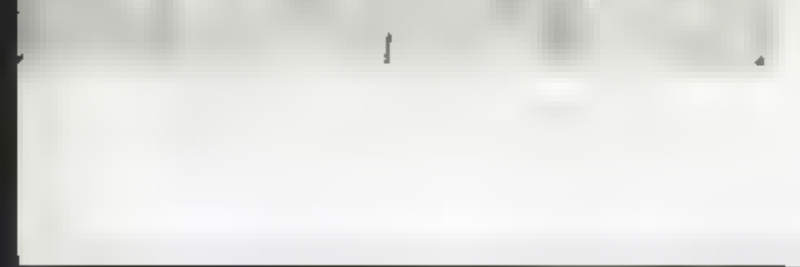

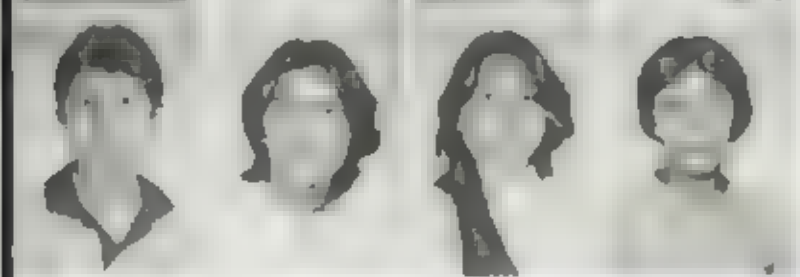

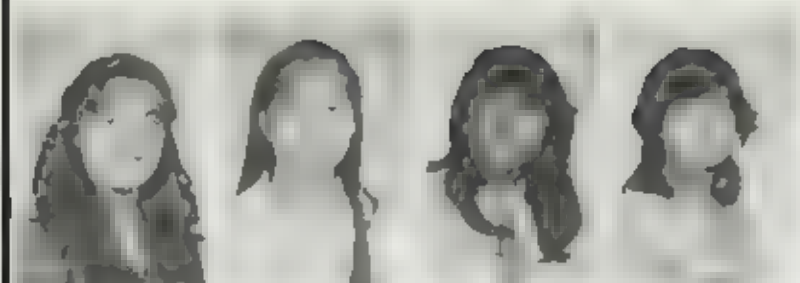

Figure 1 shows a 2D hexagonal lattice of atoms. A central atom is labeled '1'. Its six nearest neighbors are labeled '2'. The next-nearest neighbors are labeled '3'. The lattice is divided into two sublattices, A and B, by a dashed line. The atoms in sublattice A are labeled 'A' and the atoms in sublattice B are labeled 'B'.
